On November 30, 2021, the issuer commenced a rights offering pursuant to which the issuer distributed non transferable subscription rights (the "Subscription Rights") to holders of record of its common stock as of 5:00 p.m. New York Time, on November 29, 2021. Each eligible recordholder received one Subscription Right for each share of common stock held of record by such holder as of the record date. Each Subscription Right entitled its holder, subject to certain limitations and conditions, to purchase 0.083768 shares of common stock at a subscription price of \$12.75 per whole share. Holders of Subscription Rights that exercised in full such basic subscription rights were entitled, subject to certain limitations and conditions, to oversubscribe for additional shares of common stock that remained unsubscribed for the rights offering. The rights offering expired on December 16, 2021 and the Company announced the results of the offering on December 17, 2021.

(1) Shares directly acquired by the reporting person as a result of their exercise of subscription rights and oversubscription privilege in connection with the issuer's rights offering.
