STRENGTHEN SYNALLOY

UPG Enterprises' Chris Hutter sends letter to Synalloy employees and stakeholders.

Fellow Synalloy Stockholder,

In case you missed it, last week Chris Hutter [sent a letter](#) to Synalloy employees and stakeholders regarding the path to a brighter future.

In his letter, Mr. Hutter explains why he believes that installing new leadership can unlock significant value at Synalloy.

Through collaboration, innovation and operational excellence, Synalloy can be a superior partner to employees, customers, vendors and community stakeholders.

Mr. Hutter promises all stakeholders that he and his fellow nominees will help bring the roll-up-your-sleeves mentality of an operator to Synalloy’s boardroom and executive team.

Our five, [highly-qualified director candidates](#) will work to do what is best for employees, provide individual and collective growth opportunities, consider everyone’s opinions and act with integrity as we represent Synalloy.

You have a chance to install the right leadership with the right strategic plan at Synalloy by voting the **WHITE** proxy card at this year’s Annual Meeting of Stockholders on June 30.

For more information on how to vote the **WHITE** proxy card, visit www.StrengthenSynalloy.com.
