MESSAGE FROM THE BOARD OF DIRECTORS

Dear Fellow Shareholders –

You are cordially invited to attend the 2020 Annual Meeting of Shareholders (the “Annual Meeting”) of Synalloy Corporation, a Delaware corporation (the “Company”), which is scheduled to be held at its headquarters at 4510 Cox Road, Suite 201, Richmond, VA 23060 on June 30, 2020 at 9:00 a.m. ET, and any adjournments or postponements. Shareholders of the Company at the close of business on May 19, 2020 are entitled to notice of, and to vote at, the Annual Meeting. Details of the business to be conducted at the Annual Meeting are given in the accompanying Notice of Annual Meeting of Shareholders and Proxy Statement. The Proxy Statement was first made available to our shareholders on or about April 14, 2020. You should also have received a **BLUE** Proxy Card or voting instruction form and postage-paid return envelope, which are being solicited on behalf of our Board of Directors (the “Board”).

Your vote will be especially important at the Annual Meeting. As you may know, Privet Fund LP, UPG Enterprises LLC and certain of their respective affiliates (collectively, the “Dissident Group”) have notified the Company that they intend to nominate five candidates to the Board for election as directors at the Annual Meeting. Once elected, the Dissident Group’s nominees would constitute a majority of the Board. The Board does **NOT** endorse the election of any of the Dissident Group’s nominees and strongly urges you **NOT** to sign or return any proxy card sent to you by the Dissident Group. If you have previously submitted a white proxy card sent to you by the Dissident Group, you can revoke that proxy and have your shares voted for our Board’s nominees and on the other matters to be voted on at the Annual Meeting by completing, signing, dating and returning the enclosed **BLUE** Proxy Card or by following the instructions provided on the **BLUE** Proxy Card to submit a proxy over the Internet or by telephone or by attending the Annual Meeting and voting your shares in person.

We are confident that our slate of Board nominees has the right mix of professional achievement, skills, experiences and reputations that qualify each of the Company’s nominees to serve as a shareholder representative overseeing the management of the Company. We are committed to engaging with our shareholders and continuing to respond to shareholder concerns about the Company, and we believe we are in the best position to oversee the execution of our long-term strategic plan to grow and realize shareholder value. The Board unanimously recommends that you vote “**FOR**” the election of Messrs. Craig C. Bram, Anthony A. Callander, Henry L. Guy, Jeffrey Kaczka, James W. Terry, Jr., and Murray H. Wright and Mses. Susan S. Gayner and Amy J. Michtich.

After reading the Notice of Annual Meeting of Shareholders and the proxy statement, please mark your votes on the accompanying **BLUE** Proxy Card or voting instruction form, sign it and promptly return it in the accompanying postage-paid envelope. You may also vote by Internet or telephone as instructed in the proxy statement or on the **BLUE** Proxy Card or voting instruction form. Please vote by whichever method is most convenient for you to ensure that your shares are represented at the Annual Meeting.

You may receive proxy solicitation materials from the Dissident Group, including proxy statements and proxy cards. The Board recommends that you disregard them. We are not responsible for the accuracy of any information provided by or relating to the Dissident Group or the nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Dissident Group or any other statements that the Dissident Group or its representatives have made or may otherwise make. The Board, including all of its independent directors, strongly urges you **NOT** to sign or return any proxy card sent to you by or on behalf of the Dissident Group. Signing, dating and returning any proxy card that the Dissident Group, or any of its affiliates may send to you, even with instructions to vote "withhold" with respect to the Dissident Group's nominees, will cancel any proxy you may have previously submitted to have your shares voted for the Board's nominees on a **BLUE** Proxy Card, as only your latest proxy card or voting instruction form will be counted. Again, if you have previously submitted a white proxy card sent to you by or on behalf of the Dissident Group, you can revoke that proxy and vote for your Board's nominees and on the other matters to be voted on at the Annual Meeting by using the enclosed **BLUE** Proxy Card or voting by Internet or telephone by following the instructions specified on the **BLUE** Proxy Card or by voting your shares in person at the Annual Meeting.

It is very important that your shares be represented at the Annual Meeting. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible. You may vote over the Internet, as well as by telephone, or by mailing the **BLUE** Proxy Card or voting instruction form. Returning the proxy or voting by Internet or telephone does not deprive you of your right to attend the Annual Meeting and vote your shares in person.

Your vote and participation, no matter how many or how few shares you own, are very important to us. Your cooperation is greatly appreciated.

**NOTICE OF ANNUAL MEETING
JUNE 30, 2020**

TO THE SHAREHOLDERS OF SYNALLOY CORPORATION

Notice is hereby given that the Annual Meeting of Shareholders (the "Annual Meeting") of Synalloy Corporation, a Delaware corporation (the "Company"), will be held at its headquarters at 4510 Cox Road, Suite 201, Richmond, VA 23060 on June 30, 2020 at 9:00 a.m. ET.

The following important matters will be presented for your consideration.

1. To elect eight nominees to the Company's Board of Directors (the "Board"), each to hold office until the 2021 Annual Meeting of Shareholders or until his or her respective successor is elected and qualified (Proposal 1);
2. To approve, on a non-binding advisory basis, of the compensation of our named executive officers (say-on-pay) (Proposal 2); and
3. To ratify the appointment of KPMG, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 (Proposal 3).

Shareholders may also consider such other business as may properly be brought before the meeting and any adjournment or postponement thereof.

The foregoing items of business are more fully described in the Proxy Statement accompanying this Notice of Annual Meeting. The Board unanimously recommends a vote "**FOR**" each of the eight nominees for director named in the accompanying Proxy Statement and a vote "**FOR**" each of Proposal 2 and 3 on the enclosed **BLUE** Proxy Card.

Only shareholders of record at the close of business on May 19, 2020 are entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof. The Annual Meeting may be adjourned or postponed from time to time. At any adjourned or postponed meeting, action with respect to matters specified in this notice may be taken without further notice to shareholders, unless required by law or the Company's Bylaws, as amended (the "Bylaws").

A complete list of shareholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting during ordinary business hours, at the Company's headquarters, 4510 Cox Road, Suite 201, Richmond, VA 23060. The transfer books of the Company will not be closed.

All shareholders are cordially invited to attend the Annual Meeting. Whether or not you expect to attend, we encourage you to submit your proxy as soon as possible using one of three convenient methods by (i) accessing the Internet site described in the **BLUE** Proxy Card or voting instruction form provided to you, (ii) calling the toll-free number in the **BLUE** Proxy Card or voting instruction form provided to you, or (iii) completing, signing, dating and returning the enclosed **BLUE** Proxy Card promptly in the accompanying envelope, which requires no postage if mailed in the United States, or voting instruction form provided to you. You are urged to complete and submit the enclosed **BLUE** Proxy Card, even if your shares were sold after such date.

If your broker, bank, trustee or other similar organization is the holder of record of your shares (*i.e.*, your shares are held in “street name”), you will receive a voting instruction form from the holder of record. You must provide voting instructions by filling out the voting instruction form in order for your shares to be voted. We recommend that you instruct your broker or other nominee to vote your shares on the enclosed **BLUE** Proxy Card. The proxy is revocable and will not affect your right to vote in person if you attend the Annual Meeting.

Your vote will be especially important at the Annual Meeting. Privet Fund LP, UPG Enterprises LLC and certain of their respective affiliates (collectively, the “Dissident Group”) have notified the Company that they intend to nominate five candidates to the Board for election as directors at the Annual Meeting. You may receive proxy solicitation materials from the Dissident Group, including proxy statements and proxy cards. The Board recommends that you disregard them. We are not responsible for the accuracy of any information provided by or relating to the Dissident Group or the nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Dissident Group or any other statements that the Dissident Group or its representatives have made or may otherwise make. Signing, dating and returning any proxy card that the Dissident Group, or any of its affiliates may send to you, even with instructions to vote “withhold” with respect to the Dissident Group’s nominees, will cancel any proxy you may have previously submitted to have your shares voted for the Board’s nominees on a **BLUE** proxy card, as only your latest proxy card or voting instruction form will be counted. Again, if you have previously submitted a white proxy card sent to you by or on behalf of the Dissident Group, you can revoke that proxy and vote for your Board’s nominees and on the other matters to be voted on at the Annual Meeting by using the enclosed **BLUE** Proxy Card or voting by Internet or telephone by following the instructions specified on the **BLUE** Proxy Card or by voting your shares in person at the Annual Meeting. If you are a participant in the Synalloy Corporation 401(k) Plan/Employee Stock Ownership Plan (the “401(k)/ESOP Plan”) and you own shares of our Common Stock through the 401(k)/ESOP Plan, you should follow the instructions provided by the 401(k)/ESOP Plan trustee with respect to having the shares allocated to you in the 401(k)/ESOP Plan voted at the Annual Meeting.

The Board, including all of its independent directors, strongly and unanimously recommends that you vote on the **BLUE** Proxy Card or voting instruction form “**FOR**” the election of Messrs. Craig C. Bram, Anthony A. Callander, Henry L. Guy, Jeffrey Kaczka, James W. Terry, Jr., and Murray H. Wright and Ms. Susan S. Gayner and Amy J. Michtich.

THE NOMINEES OF THE BOARD FOR ELECTION AS DIRECTORS OF THE COMPANY ARE LISTED IN THE ACCOMPANYING PROXY STATEMENT AND BLUE PROXY CARD. IT IS IMPORTANT THAT YOUR SHARES BE REPRESENTED AT THE ANNUAL MEETING, REGARDLESS OF WHETHER OR NOT YOU PLAN TO ATTEND. ACCORDINGLY, AFTER READING THE ACCOMPANYING PROXY STATEMENT, PLEASE FOLLOW THE INSTRUCTIONS ON THE ENCLOSED BLUE PROXY CARD AND PROMPTLY SUBMIT YOUR PROXY BY INTERNET, TELEPHONE OR MAIL AS DESCRIBED ON THE BLUE PROXY CARD. PLEASE NOTE THAT EVEN IF YOU PLAN TO ATTEND THE ANNUAL MEETING, WE RECOMMEND THAT YOU VOTE USING THE ENCLOSED BLUE PROXY CARD PRIOR TO THE ANNUAL MEETING TO ENSURE THAT YOUR SHARES WILL BE REPRESENTED. EVEN IF YOU VOTE YOUR SHARES PRIOR TO THE ANNUAL MEETING, IF YOU ARE A RECORD HOLDER OF SHARES, OR A BENEFICIAL OWNER WHO OBTAINS A “LEGAL” PROXY FROM YOUR BROKER, BANK, TRUSTEE OR OTHER NOMINEE, YOU STILL MAY ATTEND THE ANNUAL MEETING AND VOTE YOUR SHARES IN PERSON. IF YOU ARE AN 401(K)/ESOP PLAN PARTICIPANT AND WANT TO REVOKE ANY PRIOR VOTING INSTRUCTIONS YOU PROVIDED TO THE 401(K)/ESOP PLAN TRUSTEE IN RESPECT OF THE ANNUAL MEETING, YOU MUST CONTACT THE 401(K)/ESOP PLAN TRUSTEE.

Regardless of the number of shares of common stock of the Company that you own, your vote will be important. Thank you for your continued support, interest and investment in Synalloy Corporation.

These directors provide the Company with the expertise to make sound business judgments and engage in transactions that are supported by the Company's finances.

Directors with capital markets and M&A experience provide the Company with valuable insights into potential strategic transactions, as well as important skills in deal analysis and negotiation. QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS, ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be on June 30, 2020, at 9:00 a.m. ET, at 4510 Cox Road, Suite 201, Richmond, VA 23060.

Why am I receiving this Proxy Statement?

The Board is soliciting your proxy to vote at the Annual Meeting because you own shares of the Company's common stock, par value \$1.00 per share (the "Common Stock"), at the close of business on the Record Date, and therefore, are entitled to vote at the Annual Meeting on the following proposals:

- Proposal 1: To elect eight nominees named in this Proxy Statement to serve on the Board, each until the next annual meeting of shareholders and until his or her respective successor is duly elected and qualified;
- Proposal 2: To approve, by a non-binding advisory vote, the compensation paid to the Company's named executive officers; and
- Proposal 3: To ratify the appointment of KPMG, LLP ("KPMG") as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2020.

Is my vote important?

Your vote will be particularly important at the Annual Meeting. As you may know, the Company has received a notice from the Dissident Group regarding its intent to nominate a slate comprised of five candidates to the Board for election as directors, (each, a "Dissident Group Nominee" and collectively, the "Dissident Group Nominees"), in opposition to the eight nominees recommended by the Board. If elected, the Dissident Group Nominees would constitute a majority of the Board.

The Board recommends a vote “**FOR**” the election of each of the director nominees named in this Proxy Statement on the enclosed **BLUE** Proxy Card, and strongly urges you **NOT** to sign or return any proxy card(s) or voting instruction form(s) that you may receive from the Dissident Group. Please be advised that we are not responsible for the accuracy of any information provided by or relating to the Dissident Group or any Dissident Group Nominee contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Dissident Group or any other statements that the Dissident Group or its representatives have made or may otherwise make.

To vote “**FOR**” any of the Board’s nominees, you must complete, sign, date and return the enclosed **BLUE** Proxy Card or follow the instructions provided in the **BLUE** Proxy Card for submitting a proxy over the Internet or by telephone or vote in person at the Annual Meeting.

If you have previously signed any proxy card sent to you by the Dissident Group in respect of the Annual Meeting, you can revoke it by completing, signing, dating and returning the enclosed **BLUE** Proxy Card or by following the instructions provided in the **BLUE** Proxy Card for submitting a proxy to vote your shares over the Internet or by telephone or voting in person at the Annual Meeting. Completing, signing, dating and returning any proxy card that the Dissident Group may send to you, even with instructions to vote “withhold” with respect to the Dissident Group Nominees, will cancel any proxy you may have previously submitted to have your shares voted for the Board’s nominees as only your latest proxy card or voting instruction form will be counted. Beneficial owners whose shares are held in “street name” should follow the voting instructions provided by their bank, broker, trustee or other nominee to ensure that their shares are represented and voted at the Annual Meeting, or to revoke prior voting instructions. The Board urges you to complete, sign, date and return only the enclosed **BLUE** Proxy Card.

Who is soliciting my proxy?

The Board, on behalf of the Company, is soliciting your proxy to vote your shares of Common Stock on all matters scheduled to come before the Annual Meeting, whether or not you attend the meeting. By completing, signing, dating and returning the **BLUE** Proxy Card or voting instruction form, or by transmitting your proxy and voting instructions over the Internet or by telephone, you are authorizing the proxy holders to vote your shares of Common Stock at the Annual Meeting as you have instructed. Proxies will be solicited on behalf of the Board by the Company’s directors, director nominees, and certain executive officers of the Company. Such persons are listed in Appendix A to this Proxy Statement.

Additionally, the Company has retained Morrow Sodali LLC (“Morrow Sodali”), a proxy solicitation firm, which may solicit proxies on the Board’s behalf. You may also be solicited through press releases, investor presentations or other communications issued by us, postings on our corporate website or other websites or otherwise. Unless expressly indicated otherwise, information contained on our corporate website is not part of this Proxy Statement. In addition, none of the information on the other websites, if any, listed in this Proxy Statement is part of this Proxy Statement. Such website addresses are intended to be inactive textual references only.

Will there be a proxy contest at the Annual Meeting?

The Dissident Group has nominated a slate of five individuals for election as directors to the Board at the Annual Meeting. **The Dissident Group Nominees have NOT been endorsed by the Board.** You may receive proxy solicitation materials from the Dissident Group, including proxy statements and white proxy cards. **The Board recommends that you disregard them.** We are not responsible for the accuracy of any information provided by or relating to the Dissident Group or any Dissident Group Nominee contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Dissident Group or any other statements that the Dissident Group or its representatives have made or may otherwise make.

Our Board is pleased to nominate for election as directors the following eight persons — Craig C. Bram, Anthony A. Callander, Henry L. Guy, Jeffrey Kaczka, James W. Terry, Jr., and Murray H. Wright and Mses. Susan S. Gayner and Amy J. Michtich — named in this Proxy Statement and on the enclosed **BLUE** Proxy Card. We believe our eight nominees have the breadth of relevant and diverse experiences, integrity and commitment necessary to continue to grow the Company for the benefit of all of the Company’s shareholders.

How does the Board recommend that I cast my vote?

Our Board unanimously recommends that you vote by proxy using the **BLUE** Proxy Card with respect to the proposals as follows:

- **“FOR”** the election of Messrs. Craig C. Bram, Anthony A. Callander, Henry L. Guy, Jeffrey Kaczka, James W. Terry, Jr., and Murray H. Wright and Meses. Susan S. Gayner and Amy J. Michtich to serve on the Board, each until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;
- **“FOR”** the non-binding, advisory resolution approving the compensation of the Company’s named executive officers for 2020; and
- **“FOR”** the ratification of the appointment of KPMG as the Company’s independent registered public accounting firm for the fiscal year ended December 31, 2020.

Why is the Board making such recommendations?

We describe each proposal and the Board’s reason for its recommendation with respect to each proposal on pages 21, 45, 47 and elsewhere in this Proxy Statement.

Who is entitled to vote at the Annual Meeting?

The Board has set May 19, 2020 as the Record Date for the Annual Meeting. You are entitled to notice and to vote if you are a shareholder as of the close of business on May 19, 2020. You are entitled to one vote on each proposal for each share of Common Stock you hold on the Record Date, except shareholders have the right to cumulate votes in regard to the election of directors. Your shares may be voted at the Annual Meeting only if you are present in person or your shares are represented by a valid proxy. Once the Record Date has passed, the Company intends to supplement this Proxy Statement with the number of shares of Common Stock issued and outstanding at the close of business on the Record Date, which shares will be entitled to be voted at the Annual Meeting. At the close of business on April 10, 2020, there were 9,058,040 shares of our Common Stock issued and outstanding.

What is the difference between a shareholder of “record” and a “street name” owner?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares. The Company sent the proxy materials directly to you. The **BLUE** Proxy Card accompanying this Proxy Statement will provide information regarding how to vote your shares.

If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the shareholder of record with respect to those shares. You are considered to be the beneficial owner of those shares and your shares are said to be held in “street name,” and the proxy materials are being forwarded to you by that organization. Street name owners generally cannot submit a proxy or vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares. If you do not provide that organization specific direction on how to vote, your shares held in the name of that organization may not be voted and will not be considered entitled to vote on any matters to be considered at the Annual Meeting, and as such, will not be considered present at the Annual Meeting. If you own your shares in “street name,” please instruct your bank, broker, trustee or other nominee how to vote your shares using the **BLUE** voting instruction form provided by your bank, broker, trustee or other nominee so that your vote can be counted. The **BLUE** voting instruction form provided by your bank, broker, trustee or other nominee may also include information about how to submit your voting instructions over the Internet or by telephone, if such options are available.

What constitutes a quorum?

Except where otherwise provided by applicable Delaware law, our Restated Certificate of Incorporation, as amended (the “Certificate of Incorporation”) or the Bylaws, as amended (the “Bylaws”), the presence, in person or by proxy duly authorized, of the holders of a majority of the outstanding shares of stock of the Company entitled to vote, constitutes a quorum for the transaction of business, which is required to hold and conduct business at the Annual Meeting. The inspector of election will determine whether a quorum is present. Once the Record Date has passed, the Company intends to supplement this Proxy Statement with the number of shares of Common Stock issued and outstanding at the close of business on the Record Date, which shares will be entitled to be voted at the Annual Meeting. At the close of business on April 10, 2020, there were 9,058,040 shares of our Common Stock issued and outstanding. Shares are counted as present at the Meeting if:

- you attend the Annual Meeting; or
- your shares are represented by a properly authorized and submitted proxy (submitted over the Internet, by telephone or by mail).

If you are a record holder and you submit your proxy, regardless of whether you abstain from voting on one or more matters, your shares will be counted as present at the Annual Meeting for the purpose of determining a quorum. If your shares are held in “street name,” your shares are counted as present for purposes of determining a quorum if you provide voting instructions to your broker, bank, trustee or other nominee and such broker, bank, trustee or other nominee submits a proxy covering your shares. In the absence of a quorum, the Annual Meeting may be adjourned, from time to time, by vote of the holders of a majority of the shares represented at such meeting (but no other business shall be transacted at such meeting), without any notice if the time and place thereof are announced at the meeting at which the adjournment is taken unless the adjournment is for more than thirty days, or unless after the adjournment a new record date is fixed for the adjourned meeting, in which event a notice of the adjourned meeting will be given to each shareholder of record entitled to vote at the adjourned meeting.

Who can attend the Annual Meeting?

Admission to the Annual Meeting is limited to shareholders and their duly appointed proxy holders as of the close of business on the Record Date with proof of ownership of Common Stock, as well as valid government-issued photo identification, such as a valid driver’s license or passport. If your shares are held in “street name” and you plan to attend the Annual Meeting, you must present proof of your ownership of Common Stock, such as a bank or brokerage account statement, as well as valid government-issued photo identification to be admitted to the Annual Meeting. Any holder of a proxy from a shareholder must present the proxy card, properly executed, and a copy of proof of ownership as well as valid government-issued photo identification.

We will be unable to admit anyone who does not present identification or refuses to comply with our rules of conduct for the Annual Meeting. For security reasons, you and your bags will be subject to search prior to your admittance to the Annual Meeting. These rules provide, among other things, that no cameras, recording equipment, electronic devices, large bags or packages will be permitted at the Annual Meeting. You are encouraged to submit a **BLUE** proxy card to have your shares voted regardless of whether or not you plan to attend the Annual Meeting.

Your vote is very important. Please submit your BLUE Proxy Card even if you plan to attend the Annual Meeting.

How do I vote my shares?

The process for voting your shares depends on how your Common Stock is held. Generally, you may hold Common Stock in your name as a “shareholder of record” or in an account with a broker, bank, trust or other nominee (i.e., in “street name”). If your shares are registered in your name, you may vote your shares in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. If your shares are held in the name of a broker, bank, trust or other nominee, you will receive instructions from the nominee that you must follow in order for your shares to be voted. **Your broker is not permitted to vote your shares on any of the proposals at the Annual Meeting without receiving your voting instructions.**

Participants in the Synalloy Corporation 401(k)/ESOP Plan

If you are a participant in the Synalloy Corporation 401(k) Plan/Employee Stock Ownership Plan (the “401(k)/ESOP Plan”) and you own shares of our Common Stock through the 401(k)/ESOP Plan, the **BLUE** Proxy Card sent to you will also serve as your voting instruction form to the 401(k)/ESOP Plan trustee, who actually votes the shares of our Common Stock that you own through the 401(k)/ESOP Plan. If you do not provide voting instructions for these shares to the trustee by 11:59 p.m. ET, June 25, 2020 (the “Plan Cut-Off Date”), as directed by the terms of the 401(k)/ESOP Plan, the Company, in its capacity as the 401(k)/ESOP Plan administrator, will instruct the trustee to vote those 401(k)/ESOP Plan shares “**FOR**” all the director nominees named in this Proxy Statement and “**FOR**” all other proposals.

Voting Methods

If you are a shareholder as of the close of business on the Record Date, you can vote your shares by any of the methods below:

VOTE BY INTERNET - www.proxyvoting.com/SYNL (for shareholder of record); www.proxyvote.com (for beneficial owners of shares held in street name)

Use the Internet to transmit your voting instructions and for electronic delivery of information. Have your **BLUE** Proxy Card or voting instruction form in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

VOTE BY PHONE -- 1-800-213- 6370 (for shareholder of record); 1-800-690-6903 (for beneficial owners of shares held in street name)

Use any touch-tone telephone to transmit your voting instructions. Have your **BLUE** Proxy Card or voting instruction form in hand when you call and then follow the instructions.

VOTE BY MAIL

If you are a shareholder of record, please sign and date your **BLUE** Proxy Card and return it in the postage-paid envelope we have provided or return it to Michael A. Verrechia, c/o Morrow Sodali, 509 Madison Avenue Suite 1206, New York, New York 10022. If you are a beneficial owner whose shares are held in street name, please return a properly signed and dated voting instruction form by following the instructions specified in the form.

VOTE IN PERSON

Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank, trust or other nominee that holds your shares as of the Record Date, indicating that you were a beneficial owner of shares as of the close of business on such date and the number of shares that you beneficially owned at that time.

Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions by Internet, telephone, or mail so that your vote will be counted if you later decide not to attend the Annual Meeting. The Internet and telephone voting facilities will close at 11:59 p.m. ET the day before the date of the Annual Meeting for shareholders of record and for shares held beneficially in street name on May 19, 2020 or, for 401(k)/ESOP Plan participants, at 11:59 p.m. ET on the Plan Cut-Off Date. Shareholders who submit a proxy by Internet or telephone need not return a proxy card or the voting instruction form forwarded by your broker, bank, trust or other holder of record by mail.

If you would like to reduce the costs incurred by the Company in mailing proxy materials, you can consent to receiving all future proxy statements, proxy cards and annual reports electronically via e-mail or the Internet. To sign up for electronic delivery, please follow the instructions above to vote using the Internet and, when prompted, indicate that you agree to receive or access proxy materials electronically in future years. If you are a participant in the 401(k)/ESOP Plan, although you may attend the Annual Meeting, you will not be able to cast a vote at the Annual Meeting with respect to any shares you hold through the 401(k)/ESOP Plan.

If you have any questions or require assistance in submitting a proxy for your shares, please call Morrow Sodali at (800) 662-5200 (toll free for shareholders) or (203) 658-9400 (call collect for banks and brokers).

Can I revoke or change my vote after I deliver my proxy?

As a shareholder as of the Record Date, if you submit a proxy, you may revoke your proxy at any time before it is voted at the Annual Meeting by (i) providing notice in writing of revocation that is dated later than the date of your proxy to the attention of our Corporate Secretary at 4510 Cox Road, Suite 201, Richmond, VA 23060; (ii) by submitting a valid proxy bearing a later date over the Internet, by telephone or by mail to the Company's office at 4510 Cox Road, Suite 201, Richmond, VA 23060, prior to the Annual Meeting; or (iii) by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not in itself constitute revocation of a proxy.

Shareholders whose shares are held in street name with a broker, bank, trust or other nominee may change or revoke their proxy instructions by following the instructions of their broker or other nominee or submitting new voting instructions to the broker or other nominee. Such shareholders may also vote in person at the Annual Meeting if they obtain a legal proxy from their broker, bank, trust or other nominee which holds their shares in street name.

If you have previously submitted a white proxy card sent to you by the Dissident Group, you may change your vote by completing and returning the enclosed **BLUE** Proxy Card in the accompanying postage-paid envelope or by voting over the Internet or by telephone by following the instructions on your **BLUE** Proxy Card. Submitting any proxy card sent to you by the Dissident Group will revoke votes you have previously made via the Company's **BLUE** Proxy Card.

Has the Company received notice from one or more shareholders that they are intending to nominate director candidates or bring proposals at the Meeting?

Yes. Based on recently available public filings, the Dissident Group has indicated beneficial ownership of an aggregate 2,258,908 shares of our Common Stock (representing approximately 24.93% of outstanding Common Stock), and the Dissident Group has delivered notice to the Company of its intention to nominate five candidates to the Board for election as directors in opposition to the eight nominees recommended by the Board.

The Board strongly urges you **NOT** to sign or return any proxy cards or voting instruction forms that you may receive from the Dissident Group, including to vote "withhold" with respect to the Dissident Group Nominees. If you wish to vote pursuant to the recommendation of the Board, you should disregard any proxy card that you receive other than the **BLUE** Proxy Card.

What does it mean if I receive more than one notice from the Company or BLUE Proxy Card?

Because the Dissident Group has submitted the Dissident Group Nominees to the Board in opposition to the slate proposed by the Board, we may conduct multiple mailings prior to the Annual Meeting to ensure shareholders have our latest proxy information and materials to vote. In that event, we will send you a new **BLUE** Proxy Card or voting instruction form with each mailing, regardless of whether you have previously voted. You may also receive more than one set of proxy materials, including multiple **BLUE** Proxy Cards, if you hold shares that are registered in more than one account—please vote the **BLUE** Proxy Card for every account you own. The latest dated proxy you submit will be counted, and **IF YOU WISH TO VOTE AS RECOMMENDED BY THE BOARD, THEN YOU SHOULD ONLY SUBMIT BLUE PROXY CARDS AND DISREGARD ANY PROXY CARD SENT TO YOU BY THE DISSIDENT GROUP.**

What should I do if I receive a proxy card from the Dissident Group?

The Dissident Group has nominated a slate of five individuals for election as directors to the Board in opposition to the eight nominees proposed by the Board. We expect that you may receive proxy solicitation materials from the Dissident Group, including opposition proxy statements and proxy cards. **The Board strongly urges you NOT to sign or return any proxy cards or voting instruction forms that you may receive from the Dissident Group, including to vote "withhold" with respect to the Dissident Group Nominees.** We are not responsible for the accuracy of any information provided by or relating to the Dissident Group or the Dissident Group Nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, the Dissident Group or any other statements that the Dissident Group or its representatives have made or may otherwise make. If you have already voted using the white proxy card provided by the Dissident Group, you have every right to change your vote by completing and returning the enclosed **BLUE** Proxy Card or by voting over the Internet or by telephone by following the instructions provided on the enclosed **BLUE** Proxy Card or voting instruction form or by voting in person at the Annual Meeting. Only the latest proxy you submit will be counted. If you vote "withhold" on the Dissident Group Nominees using the white proxy card sent to you by the Dissident Group, your vote will not be counted as a vote for any of the director nominees recommended by the Board, but will result in the revocation of any previous vote you may have cast on the **BLUE** Proxy Card. **If you wish to vote pursuant to the recommendation of the Board, you should disregard any proxy card that you receive other than the BLUE Proxy Card.** If you have any questions or need assistance voting, please call Morrow Sodali at (800) 662-5200 (toll free for shareholders) or (203) 658-9400 (call collect for banks and brokers). If you are a 401(k)/ESOP Plan participant and want to revoke any prior voting instructions you provided to the 401(k)/ESOP Plan trustee in respect of the Annual Meeting, you must contact the 401(k)/ESOP Plan trustee.

Is cumulative voting permitted for the election of directors?

You have the right to cumulate your votes by distributing a number of votes, determined by multiplying the number of directors to be elected at the Annual Meeting (i.e., eight) by the number of your shares as of the close of business on the Record Date, to one individual nominee or among two or more nominees. Unless contrary instructions are provided on the enclosed **BLUE** Proxy Card or voting instruction form, the persons named as proxies may cast all of their votes “For” or “Withhold” with respect to the nominees or may allocate the votes among the nominees in accordance with their discretion.

However, you will **NOT** be permitted to distribute your votes between the candidates recommended by our Board listed on the **BLUE** Proxy Card and the Dissident Group’s nominees on the white proxy card sent to you by the Dissident Group. This is because any vote with respect to any of the Dissident Group’s nominees on its white proxy card will revoke any previous proxy submitted by you, including any previous proxy **FOR** the Company’s nominees. **THE BOARD STRONGLY AND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS DO NOT RETURN ANY WHITE PROXY CARD SENT TO YOU BY THE DISSIDENT GROUP, EVEN AS A PROTEST VOTE AGAINST ANY OF ITS GROUP MEMBERS OR NOMINEES.** Your Board strongly and unanimously urges you to **DISCARD** all white proxy cards or other materials sent to you by the Dissident Group.

How will my shares be voted?

Shareholders as of the close of business on the Record Date are entitled to one vote for each share of Common Stock held on each matter to be voted upon at the Meeting, except shareholders have the right to cumulate votes in regard to the election of directors. All shares entitled to vote and represented by properly submitted proxies received before the polls are closed at the Annual Meeting, and not revoked or superseded, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. Where a choice has been specified on the **BLUE** Proxy Card with respect to the proposals, the shares represented by the **BLUE** Proxy Card will be voted as you specify. If you return a validly executed **BLUE** Proxy Card without indicating how your shares should be voted on a matter and you do not revoke your proxy, your proxy will be voted: “**FOR**” the election of the eight Board nominees set forth on the **BLUE** Proxy Card (Proposal 1); “**FOR**” the non-binding, advisory resolution approving the compensation of the Company’s named executive officers (Proposal 2); and “**FOR**” the ratification of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ended December 31, 2020 (Proposal 3).

What happens if I do not specify how I want my shares voted? What is discretionary voting? What is a broker non-vote?

As a shareholder as of the close of business on the Record Date, if you properly complete, sign, date and return a **BLUE** Proxy Card or voting instruction form, your shares of Common Stock will be voted as you specify. However, if you are a shareholder of record and you return an executed **BLUE** Proxy Card or submit your proxy by telephone or Internet and do not specify how you want your shares voted, the persons named as proxies will vote your shares:

- **“FOR”** the election of the eight Board nominees listed on the **BLUE** Proxy Card (i.e., Messrs. Craig C. Bram, Anthony A. Callander, Henry L. Guy, Jeffrey Kaczka, James W. Terry, Jr., and Murray H. Wright and Meses. Susan S. Gayner and Amy J. Michtich), each to serve on the Board until the next annual meeting of shareholders and until his or her respective successor is duly elected and qualified;
- **“FOR”** the approval of the non-binding, advisory resolution approving the compensation of the Company’s named executive officers; and
- **“FOR”** the ratification of the appointment of KPMG as the Company’s independent registered public accounting firm for the fiscal year ended December 31, 2020.

A “broker non-vote” occurs when a broker holding shares for a beneficial owner has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote the shares. If you own your shares beneficially in street name through a broker and do not provide voting instructions to your broker, your shares will be considered to be broker non-votes and will not be counted for establishing the presence of a quorum and will not be voted on any proposal on which your broker does not have discretionary authority to vote.

To the extent that the Dissident Group provides a proxy card to shareholders in street name, none of the proposals at the Annual Meeting are considered a discretionary matter. As a result, if you own your shares beneficially in street name through a broker, then we encourage you to provide voting instructions to the broker that holds your shares by carefully following the instructions provided in their notice to you.

What is the effect of abstentions and broker non-votes on voting?

Abstentions will be counted as present at the Meeting for the purpose of determining a quorum. Because each director nominee will require more “FOR” votes than the director nominees who receive the least number of votes in order to be elected, “withhold” votes have no effect on the outcome of Proposal 1. To approve the advisory votes on the compensation of the Company’s named executive officers and to ratify the appointment of KPMG as the Company’s independent registered public accounting firm for 2020, if a quorum is present, the affirmative vote of a majority of the voting power represented at the Annual Meeting is required for approval. As a result, abstention votes will have the same effect as a vote “AGAINST” such matters.

A broker non-vote occurs when the broker is unable to vote on a proposal because the proposal is not routine and the shareholder who owns the shares in “street name” has not provided any voting instructions to the broker on that matter. Even though the Company’s Common Stock is listed on the Nasdaq Global Market, the rules of the New York Stock Exchange (“NYSE”) apply to brokers that are NYSE members voting on matters being submitted to shareholders at the Annual Meeting. Under the rules of the NYSE, if a proposal is routine, a broker holding shares for an owner in street name may vote on the proposal without voting instructions. Because we are facing a contested election, the NYSE rules governing brokers’ discretionary authority do not permit brokers to exercise discretionary voting power regarding any of the proposals to be voted on at the Annual Meeting. As a result, brokers are not entitled to vote on any of the proposals at the Annual Meeting without receiving voting instructions from the beneficial owners, and thus the underlying shares will not be counted for establishing the presence of a quorum, and will have no effect on the outcome of Proposals 1, 2 or 3. If you do not provide voting instructions to your broker holding shares of Common Stock for you, your shares will not be voted with respect to any proposal. We therefore encourage you to provide voting instructions on a **BLUE** Proxy Card or the voting instruction form provided by the broker that holds your shares, in each case by carefully following the instructions provided.

Could other matters be decided at the Annual Meeting?

We do not expect any other items of business will be presented for consideration at the Annual Meeting other than those described in this Proxy Statement. However, by completing, signing, dating and returning a **BLUE** Proxy Card or submitting your proxy or voting instructions over the Internet or by telephone, you will give to the persons named as proxies discretionary voting authority with respect to any matter that may properly come before the Annual Meeting, and of which we did not have notice at least by February 29, 2020, which is 45 days before the date on which we first made available the proxy materials for our 2019 Annual Meeting of Shareholders, and such persons named as proxies intend to vote on any such other matter in accordance with their best judgment.

Who will count the votes?

All votes will be tabulated as required by Delaware law, the state of our incorporation, by the independent inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Shares held by persons attending the Annual Meeting but not voting and shares represented by proxies that reflect abstentions as to one or more proposals will be counted as present for purposes of determining a quorum. Broker non-votes will not be counted as present for purposes of determining a quorum.

When will the voting results be announced?

The final voting results will be reported in a Current Report on Form 8-K, which will be filed with the Securities and Exchange Commission (“SEC”) within four business days after the Annual Meeting. If our final voting results are not available within four business days after the Annual Meeting, we will file a Current Report on Form 8-K reporting the preliminary voting results and subsequently file the final voting results in an amendment to the Current Report on Form 8-K within four business days after the final voting results are known to us.

What vote is required with respect to the proposals?

Election of Directors. Pursuant to our Bylaws, if a quorum is present at the Annual Meeting, with respect to Proposal 1 – “Election of Directors”, directors will be elected by a plurality of the votes cast by shares present in person or by proxy and entitled to vote at the Annual Meeting. “Plurality” means that, among the Board’s nominees and the Dissident Group Nominees, the eight nominees who receive the largest number of “FOR” votes of the shares entitled to be voted in the election for directors will be elected, whether or not they received a majority of votes cast. You may vote “FOR” all Board nominees, “WITHHOLD” your vote as to all Board nominees, or “FOR ALL” Board nominees except the specific nominee from whom you “WITHHOLD” your vote. There is no “against” option. **Shares voting “withhold” are counted for purposes of determining a quorum. However, if you withhold authority to vote with respect to the election of any or all of the nominees, your shares will not be voted with respect to those nominees indicated. Therefore, “withhold” votes will not affect the outcome of the election of directors. Brokers do not have discretionary authority to vote on the election of directors. Broker non-votes and “withhold votes” will have no effect on the outcome of Proposal 1.**

Non-binding Resolution to Approve Compensation for Named Executive Officers. The approval of a non-binding, advisory resolution approving the compensation of the Company’s named executive officers requires the affirmative vote by the holders of a majority of the voting power represented at the Annual Meeting when a quorum is present. You may vote “FOR,” “AGAINST” or “ABSTAIN.” If you “ABSTAIN” from voting on Proposal 2, the abstention will have the same effect as an “AGAINST” vote. While the vote on Proposal 2 is advisory, and will not be binding on the Company or the Board, the Board will review the results of the voting on this proposal and take it into consideration when making future decisions regarding executive compensation as we have done in this and previous years. Broker non-votes will have no effect on the outcome of Proposal 2.

Ratification of Auditors. The ratification of the appointment of KPMG requires the affirmative vote by the holders of a majority of the voting power represented at the Annual Meeting when a quorum is present. You may vote “FOR,” “AGAINST” or “ABSTAIN.” If you “ABSTAIN” from voting on Proposal 3, the abstention will have the same effect as an “AGAINST” vote. Broker non-votes will have no effect on the outcome of Proposal 3.

Who will pay for the solicitation of proxies?

The Company will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this Proxy Statement, the BLUE Proxy Card, the Notice of Annual Meeting and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of our Common Stock in their names that are beneficially owned by others to forward to those beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners. Original solicitation of proxies may be supplemented by telephone, facsimile, electronic mail or personal solicitation by our directors, officers or staff members. Other than the persons described in this Proxy Statement, no general class of employee of the Company will be employed to solicit shareholders in connection with this proxy solicitation. However, in the course of their regular duties, employees may be asked to perform clerical or ministerial tasks in furtherance of this solicitation. No additional compensation will be paid to our directors, officers or staff members for such services. We have retained Morrow Sodali to act as a proxy solicitor in conjunction with the Annual Meeting. We have agreed to pay Morrow Sodali \$125,000, plus reasonable out-of-pocket expenses for proxy solicitation services. Morrow Sodali expects that approximately 35 of its employees will assist in the solicitation.

Our aggregate expenses, including legal fees for attorneys, accountants, public relations and other advisors, printing, advertising, postage, transportation, litigation and other costs incidental to the solicitation, but excluding (i) costs normally expended for a solicitation for an election of directors in the absence of a proxy contest and (ii) costs represented by salaries and wages of Company employees and officers, are expected to be approximately \$700,000, of which \$195,000 has been incurred as of the date of this Proxy Statement.

Appendix A sets forth information relating to our directors, director nominees, as well as certain of our officers who are considered “participants” in our solicitation under the rules of the SEC by reason of their position as directors and director nominees of the Company or because they may be soliciting proxies on our behalf.

Do I have appraisal or dissenters’ rights?

None of the applicable Delaware law, the Certificate of Incorporation nor our Bylaws provide for appraisal or other similar rights for dissenting shareholders in connection with any of the proposals set forth in this Proxy Statement. Accordingly, you will have no right to dissent and obtain payment for your shares in connection with such proposals.

Whom should I call if I have questions about the Annual Meeting?

Morrow Sodali is assisting us with our effort to solicit proxies. If you have any questions concerning the business to be conducted at the Annual Meeting, would like additional copies of this Proxy Statement or require assistance in authorizing a proxy or voting your shares of Common Stock, please contact Morrow Sodali:

THE BOARD UNANIMOUSLY RECOMMENDS VOTING “FOR” THE ELECTION OF EACH OF THE BOARD’S NOMINEES ON PROPOSAL 1, “FOR” PROPOSAL 2 AND “FOR” PROPOSAL 3, USING THE ENCLOSED BLUE PROXY CARD OR VOTING INSTRUCTION FORM.

THE BOARD URGES YOU NOT TO SIGN, RETURN OR VOTE ANY PROXY CARD OR VOTING INSTRUCTION FORM SENT TO YOU BY THE DISSIDENT GROUP EVEN AS A PROTEST VOTE, AS ONLY YOUR LATEST DATED PROXY CARD WILL BE COUNTED.

BACKGROUND TO THE SOLICITATION

Throughout 2016, Craig C. Bram, the Company's President, Chief Executive Officer ("CEO") and director, held phone calls with representatives of Privet to discuss the Company, its operating performance and management's strategy.

On September 19, 2016, Privet Fund LP and certain of its affiliates (collectively, "Privet") filed a Schedule 13D with the SEC disclosing its ownership of approximately 7.5% of the Company's then outstanding Common Stock.

On March 17, 2017, Mr. Bram met with Ryan Levenson, the managing member of Privet Fund Management LLC (an affiliate of Privet Fund LP), at the Company's headquarters in Richmond, Virginia, to discuss the Company, its operating performance and management's strategy.

On March 20, 2017, Privet filed Amendment No. 1 to its Schedule 13D with the SEC disclosing its ownership of approximately 8.9% of the Company's then outstanding Common Stock.

On April 3, 2017, Privet filed Amendment No. 2 to its Schedule 13D with the SEC disclosing its ownership of approximately 10.9% of the Company's then outstanding Common Stock.

On September 7, 2017, Dennis Loughran, the Company's Chief Financial Officer ("CFO"), sent an email to Privet representative Mr. Levenson, informing him of the Company's participation in an upcoming investor conference and offering a call with Mr. Levenson to discuss the materials that would be presented by the Company at the investor conference.

On September 29, 2017, Privet filed Amendment No. 3 to its Schedule 13D with the SEC disclosing its ownership of approximately 12.2% of the Company's then outstanding Common Stock.

On August 10, 2018, the Company issued a press release announcing an "at-the-market" program whereby it would sell, from time to time, shares of Common Stock up to an aggregate amount of \$10 million.

Later on August 10, 2018, Mr. Bram and Mr. Levenson met telephonically to discuss the Company's "at-the-market" offering of equity securities announced earlier that day. Mr. Levenson told Mr. Bram about his belief that the Company should explore a different capital raising mechanism that he hoped would be more effective.

On August 11, 2018, Mr. Levenson and Mr. Bram exchanged emails discussing the conversation that took place the previous day. Mr. Bram elaborated on the Company's decision to pursue the "at-the-market" offering.

On October 9, 2018, representatives of Privet, including Mr. Levenson, and representatives of another investor, met with Mr. Bram in Atlanta, Georgia, to discuss the Company's strategy, operations and capital allocation priorities, as well as Privet's strategic objectives. During the conversation, Mr. Levenson spoke positively of the Company's M&A deals, integration of new businesses and capital allocation.

On October 31, 2018, Privet and the Company entered into a mutual non-disclosure agreement (the "NDA") to facilitate an open dialogue about the financial performance and future prospects of the Company. The NDA did not include any standstill provisions.

On November 14, 2018, Messrs. Bram and Loughran, Murray H. Wright, the Chairman of the Board, and Henry L. Guy, a member of the Board, met with representatives of Privet, including Mr. Levenson, and representatives of another investor, in Richmond, Virginia to further discuss the Company and its strategic priorities. Mr. Levenson again reiterated his approval of the Company's M&A deals, integration of new businesses and capital allocation. Further, Mr. Levenson commented at this meeting that he regarded the financial results reported in the Company's Quarterly Report on Form 10-Q issued on November 6, 2018 to be the best of any publicly traded company that Privet had ever owned and that he was surprised the Company's stock price was not trading at a price in excess of \$30.00 per share.

On November 16, 2018, the Company issued a press release announcing a dividend payment of \$0.25 per share, which represented a 92% increase over the prior year's dividend. In the press release, the Company also announced that it had terminated its "at-the-market" program due to market conditions and the Company's belief that its stock was undervalued at the time.

On December 27, 2018, Privet filed Amendment No. 4 to its Schedule 13D with the SEC disclosing its ownership of approximately 14.0% of the Company's then outstanding Common Stock.

On March 21, 2019, Mr. Bram spoke by phone with Privet representatives, including Mr. Levenson and Benjamin Rosenzweig, a partner at Privet Fund Management LLC, to discuss the Company's recent operating results, capital structure decisions and the details of recently announced 2019 guidance.

On April 18, 2019, Messrs. Bram, Wright and Guy met with Mr. Levenson and Mr. Rosenzweig at the Company's headquarters in Richmond, Virginia. At this meeting, Messrs. Levenson and Rosenzweig informed Messrs. Bram, Wright and Guy of Privet's interest in potentially exploring an acquisition of the Company at a potential purchase price of \$19.00 per share. Messrs. Bram, Wright and Guy informed Messrs. Levenson and Rosenzweig that they would discuss Privet's interest with the other members of the Board.

On April 23, 2019, Privet sent a letter to the Board proposing to acquire all of the Company's outstanding Common Stock not already owned by Privet for \$20.00 per share (the "April 23 Proposal"). The proposal did not identify a source of financing for the transaction and was subject to, among other things, the negotiation and execution of a mutually satisfactory definitive acquisition agreement, regulatory approvals and satisfactory completion of due diligence.

Also on April 23, 2019, Privet filed Amendment No. 5 to its Schedule 13D with the SEC disclosing the April 23 Proposal as well as beneficial ownership of approximately 14.5% of the Company's then outstanding Common Stock.

On April 26, 2019, Mr. Bram sent a letter to Privet indicating that upon thorough review and careful consideration consistent with its fiduciary duties, including consulting with its independent financial and legal advisors, the Board concluded that the April 23 Proposal undervalued the financial performance of the Company and unanimously rejected that proposal. The letter also indicated the Board's willingness to consider any and all good faith offers to acquire the Company.

On May 17, 2019, Mr. Bram had a telephonic conversation with Mr. Levenson to discuss a status update on Privet's position. During the call, Mr. Bram suggested two potential paths going forward: 1) Privet could negotiate with the Executive Committee of the Board to determine an acceptable price, or 2) Privet could tender for the outstanding shares at \$20.00 per share and let the shareholders decide on the offer.

On May 23, 2019, Privet sent a letter to the Board reiterating its \$20.00 per share acquisition proposal (the "May 23 Proposal"). The proposal again did not identify a source of financing for the proposed transaction. Also on May 23, 2019, Privet filed Amendment No. 6 to its Schedule 13D with the SEC disclosing the May 23 Proposal.

On May 29, 2019, Mr. Bram responded to the May 23 Proposal by letter to Privet, reiterating the Board's rejection of Privet's \$20.00 offer. Mr. Bram again noted the Board's willingness to negotiate an acceptable price with Privet. Mr. Bram also noted that the Company would be open to respond to certain of Privet's information requests.

On June 6, 2019, Privet requested from Mr. Bram a list of diligence items to evaluate in reconsidering its offer.

On June 7, 2019, Mr. Bram responded to Privet's diligence request list by stating that the Company would be prepared to respond to certain items on the list over the following weeks.

On June 19, 2019, the Company issued a press release to announce updated full year 2019 guidance and also announced the Executive Committee of its Board, acting on behalf of the Board, had been in contact with representatives from Privet since Mr. Bram's response to the May 23 Proposal on May 29, 2019.

On June 20, 2019, the Company provided Privet and its advisors with access to an electronic data room containing a number of the diligence items requested by Privet in the diligence request list.

On July 1, 2019, the Company held a phone meeting with representatives of Privet, including Mr. Levenson, Mr. Rosenzweig and Christos Asimakopoulos, a vice president at Privet Fund Management LLC, as well as Privet's financial advisors, to discuss the Company's financial information.

During July 2019, representatives of the Company provided Privet and its financial advisor with select non-public financials and other information requested by Privet.

On August 2, 2019, Mr. Bram sent an email to Messrs. Levenson and Rosenzweig, stating that the Board would consider an updated offer from Privet to acquire the Company, if such offer would be made by the close of business on August 19, 2019. The email also asked for information about Privet's contacts for financing sources that would be used to complete the transaction.

On August 19, 2019, Privet sent a letter to the Board decreasing its previous offer by 7.5% from \$20.00 to \$18.50 per share (the "August 19 Proposal"), indicating that it had decreased its offer based on the Company's recent performance. The August 19 Proposal again did not include a financing source and instead attached a letter from a representative of Robert Baird & Co. Incorporated, stating such representative's opinion that Privet would be able to secure debt financing of approximately 3.5-4.0 times of the Company's LTM Adjusted EBITDA. In the Company's view, the underlying calculation did not reflect all of the Company's outstanding debt.

On August 20, 2019, Privet filed Amendment No. 7 to its Schedule 13D with the SEC disclosing the August 19 Proposal as well as beneficial ownership of approximately 13.6% of the Company's then outstanding Common Stock.

On August 23, 2019, the Company responded to the August 19 Proposal by letter to Privet, stating that after careful consideration and review, the Board had decided to reject that proposal. The letter also stated the Board's belief that notwithstanding the uneven financial results generated by the Company's cyclical businesses, it would create greater value for shareholders to strategically grow the Company's existing segments and pursue accretive acquisitions and expansion into complementary product lines. Pursuant to the terms of the NDA, the Company also announced the termination thereof.

On September 5, 2019, Messrs. Bram, Wright and Guy had a phone conversation with Messrs. Levenson and Rosenzweig regarding the Company's ongoing strategy and value creation plan.

Over the course of September 2019, representatives of the Company and Privet had discussions regarding entering into a new non-disclosure agreement regarding certain of the Company's activities in connection with prospective investments. Despite the Company's good faith negotiations with Privet, the parties were unable to reach agreement and no non-disclosure agreement was entered into at the time.

On October 4, 2019, Mr. Bram sent an email to Messrs. Levenson and Rosenzweig containing materials relating to the Company's current analysis and discussions regarding a contemplated future merger with Universal Stainless and Alloy Products, Inc. ("USAP"), a portfolio holding of Privet.

On October 7, 2019, representatives of the Company and Privet had a telephonic meeting to discuss the potential USAP transaction.

Throughout October 2019, Mr. Bram had multiple conversations with Messrs. Levenson and Rosenzweig regarding the potential USAP transaction. Mr. Levenson expressed his support for the USAP transaction and indicated his plan to take actions to gauge interest among certain institutional investors.

On October 14, 2019, the Company delivered a public letter to the Chief Executive Officer of USAP, in which Mr. Bram proposed an all-stock combination between USAP and the Company.

On November 6, 2019, the Company received a letter from the Chief Executive Officer of USAP, indicating that the Board of Directors of USAP unanimously concluded that a business combination with the Company was not in the best interests of USAP and its shareholders.

On November 15, 2019, representatives of the Company, including Mr. Bram and Mr. Loughran, and representatives of Privet, including Mr. Levenson and Mr. Rosenzweig, had a phone conversation to discuss the Company's operating results for the third quarter of 2019. During the call, Mr. Levenson expressed his desire to designate two individuals to the Board.

On November 21, 2019, Mr. Bram sent an email to Messrs. Levenson and Rosenzweig stating that the Board would be agreeable to adding one person, designated by Privet, to the 2020 slate of directors to be voted on by shareholders at the Annual Meeting (the "November 21 Proposal"). As a condition to this proposal, the Company asked Privet to execute a standstill agreement for a three-year period, during which time Privet would vote its shares in accordance with the Board's recommendations and would be restricted from increasing its ownership share in the Company above 15% of the Company's outstanding shares of Common Stock. The proposal contained additional customary terms regarding Privet's actions during the term of the proposed agreement.

On December 3, 2019, Mr. Bram had a phone conversation with Mr. Levenson during which Mr. Levenson offered to purchase the Company's Chemicals segment in exchange for the Company stock owned by Privet and cash. Mr. Levenson did not respond to the Company's November 21 Proposal during the conversation.

On December 6, 2019, Mr. Bram sent an email to Messrs. Levenson and Rosenzweig stating that the Board had discussed Privet's verbal proposal to explore a purchase of the Chemicals segment. Mr. Bram noted that upon careful consideration, the Board unanimously concluded that it was not the right time to consider a sale of the Chemicals segment given the business cycle and that the sale of the Chemicals segment would have a significant tax consequence for the Company's shareholders.

On January 23, 2020, UPG Enterprises LLC and certain of its affiliates (collectively, "UPG") began purchasing shares of Common Stock.

On March 3, 2020, Privet entered into a group agreement (the "Privet-UPG Agreement") with UPG for the purposes of engaging in discussions with the Company regarding its suggestions for ways to enhance shareholder value.

Also on March 5, 2020, UPG filed a Schedule 13D with the SEC disclosing beneficial ownership of approximately 8.0% of the Company's then outstanding Common Stock (and an aggregate of approximately 25.0% of the Company's then outstanding Common Stock when including shares held by Privet), and disclosing that it had entered into the Privet-UPG Agreement.

On March 16, 2020, Privet, UPG and their nominees (the "Dissident Group Nominees") entered into a Joint Filing and Solicitation Agreement (the "Joint Filing and Solicitation Agreement"), which superseded the Privet-UPG Agreement, pursuant to which the parties agreed, among other things, to (i) form a group with respect to the securities of the Company, (ii) solicit proxies for the election of the Dissident Group Nominees at the Annual Meeting and (iii) split expenses incurred in connection with the group's activities between Privet and UPG based on each of Privet's and UPG's pro rata ownership percentage of shares of Common Stock, as adjusted each month.

On March 29, 2020, the Company's counsel delivered an updated settlement proposal (the "March 29 Proposal") by email to the Dissident Group's counsel, offering the Dissident Group the right to designate two out of eight directors on the Board, with two incumbent directors resigning, and agreeing to form a strategic review committee for the purpose of reviewing the Company's strategy and capital allocation. In exchange, the Dissident Group would agree to vote its shares in accordance with the Board's recommendations and agree to a customary standstill until the nomination window opens for the Company's 2022 annual meeting of shareholders.

On April 1, 2020, the Company filed a preliminary proxy statement with the SEC.

Also on April 1, 2020, the Company announced the adoption of a limited duration shareholder rights plan, under which rights to acquire shares of Common Stock would be issued to shareholders of record on April 10, 2020. The Company adopted the rights plan in light of the recent extreme market volatility caused by the COVID-19 pandemic and other macroeconomic conditions as well as the fact that the Company's share price did not reflect intrinsic long-term value. The rights plan will expire on March 31, 2021, or later if the Board approves an extension prior to expiration and the extension is submitted to shareholders for ratification at the Company's 2021 annual meeting of shareholders.

Related Party Transactions

The Company requires that each executive officer, director and director nominee complete an annual questionnaire and report all transactions with the Company in which such persons (or their immediate family members) had or will have a direct or indirect material interest (except for salaries, directors' fees and dividends on our stock). Management reviews responses to the questionnaires and, if any such transactions are disclosed, they are reviewed by the Board. The Company does not, however, have a formal written policy setting out these procedures. There were no such transactions during the fiscal year ended December 31, 2019.

Retirement Policy

The Board has adopted a retirement policy with respect to the Company's directors. Under the policy, directors who attain the age of 75 prior to an annual meeting of the Company's shareholders are not eligible to be nominated for re-election to the Company's Board at the annual meeting.

CORPORATE GOVERNANCE

Board Leadership Structure and Board's Role in Risk Oversight

The Board's role and responsibilities are set forth in the Bylaws and the Board's Charter and Corporate Governance Guidelines (the "Board Charter") which provide for a Chairman elected by the majority vote of all Board members present at the first Board meeting after an annual meeting. The business and affairs of the Company are managed under the direction of the Board. Our Board does not have a specific policy as to whether the role of Chairman and CEO should be held by separate persons, but rather makes an assessment of the appropriate form of leadership structure on a case-by-case basis. The Board believes that this issue can be a part of the succession planning process and recognizes that there are various circumstances that weigh in favor of or against both combination and separation of these offices. Since 2002, the roles of Chairman and CEO have been held by separate persons. The Board believes it is appropriate, and in our Company's best interests, for the two roles to be separated at this time. The Board does not currently have a lead independent director.

Our Board is actively involved in the oversight of risks that could affect our Company. The Board receives regular reports from members of senior management on areas of material risk to us, including strategic, operational, financial, information technology (including cyber risk), legal and regulatory risks. These reports are reviewed by the full Board, or, where responsibility for a particular area of risk oversight is delegated to a committee of the Board, that committee reviews the report and then reports to the full Board. In addition, the Audit Committee's charter requires the committee to inquire of management and the registered public accountants about significant risks or exposures and assess the steps management has taken to manage such risks, and further requires the committee to discuss with the registered public accountants the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs.

Director Qualifications and Nomination Process

The Corporate Governance Committee follows the Corporate Governance Guidelines, which are contained as Attachment A to the Board of Director's Charter. The Corporate Governance Guidelines set forth factors in recommending and evaluating candidates, including personal characteristics, core competencies, commitment and independence. It also takes into consideration such factors as it deems appropriate based on the Company's current needs. These factors may include diversity, age, skills such as understanding of appropriate technologies and general finance, decision-making ability, inter-personal skills, experience with businesses and other organizations of comparable size, and the interrelationship between the candidate's experience and business background, and other Board members' experience and business background. Although the Corporate Governance Committee does not have a specific policy with regard to the consideration of diversity in identifying director nominees, the committee considers racial and gender diversity, as well as diversity in business and educational experience, as part of the total mix of information it takes into account in identifying nominees. Additionally, candidates for director should possess the highest personal and professional ethics, and they should be committed to the long-term interests of the shareholders of the Company.

The Corporate Governance Committee does not have any specific process for identifying director candidates. Such candidates are routinely identified through personal and business relationships and contacts of the directors and executive officers. The Board Charter does require that any director nominee, whether a new nominee or a previous director, must be less than 75 years of age on the date of the Annual Meeting of Shareholders and Board vote.

The Corporate Governance Committee will consider as potential nominees persons informally recommended by shareholders if the following requirements are met. If a shareholder wishes to informally recommend a director candidate to the Corporate Governance Committee for consideration as a Board's nominee, the shareholder must submit in writing to the Corporate Governance Committee the recommended candidate's name, a brief resume setting forth the recommended candidate's business and educational background and qualifications for service, the number of the Company's shares beneficially owned by the person, and a notarized consent signed by the recommended candidate stating the recommended candidate's willingness to be nominated and to serve. Additionally, the recommending shareholder must provide his or her name and address and the number of the Company's shares beneficially owned by such person. This information must be delivered to the Corporate Secretary of the Company at the Company's corporate headquarters at 4510 Cox Road, Suite 201, Richmond, VA 23060 for transmission to the Corporate Governance Committee, and must be received not less than 90 days nor more than 120 days prior to an annual meeting of shareholders. The committee may request further information if it determines a potential candidate may be an appropriate nominee. Director candidates recommended by shareholders that comply with these requirements will receive the same consideration from the committee that other candidates receive.

Nominations for election as directors may also be made by shareholders from the floor at an annual meeting of shareholders provided such nominations are received by the Company not less than 30 nor more than 60 days prior to the annual meeting, contain the information set forth above, and otherwise are made in accordance with the procedures set forth in the Company's Bylaws.

Shareholder Communications with Directors

Any shareholder who wishes to send communications to the Board should mail them addressed to the intended recipient by name or position in care of: Corporate Secretary, Synalloy Corporation, 4510 Cox Road, Suite 201, Richmond, VA 23060. Upon receipt of any such communications, the Corporate Secretary will determine the identity of the intended recipient and whether the communication is an appropriate shareholder communication. The Corporate Secretary will send all appropriate shareholder communications to the intended recipient. An "appropriate shareholder communication" is a communication from a person claiming to be a shareholder in the communication the subject of which relates solely to the sender's interest as a shareholder and not to any other personal or business interest.

In the case of communications addressed to the Board, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Board. In the case of communications addressed to the independent or outside directors, the Corporate Secretary will send appropriate shareholder communications to the Chairman of the Audit Committee. In the case of communications addressed to committees of the Board, the Corporate Secretary will send appropriate shareholder communications to the Chairman of such committee.

Executive Summary

Overview of Our Business and Results

The Company had a very challenging year in 2019. Coming off a record-breaking year in 2018, we set our 2019 forecasts assuming a continuation of the 2018 market volume and pricing. Instead, both market volume and pricing were constrained in 2019 as we saw tighter inventory controls from customers and significant price compression in the marketplace. These constraints were predominantly in the Metals Segment, which is also our largest segment. While the Company's performance was solid as compared to prior years, the end of year financial results were well below targets and expectations. The 2019 Incentive Plan paid out below target accordingly.

In 2019, the Company reported net sales of \$305.2 million, up \$24.3 million from 2018 but less than our original 2019 forecast of \$340 million. Adjusted EBITDA was \$13.4 million in 2019, which is considerably lower than the \$34.1 million reported in 2018 and our original forecast of \$34.4 million for 2019.

The Company's business has two divisions: the Metals Segment and the Chemicals Segment.

Synalloy Metals

The Metals Segment operates as four reporting units, including American Stainless Tubing ("ASTI"), Bristol Metals, LLC ("BRISMET"), Palmer of Texas Tanks, Inc. ("Palmer") and Specialty Pipe & Tube, Inc. ("Specialty"). ASTI manufactures high-end ornamental stainless steel tubing. BRISMET manufactures stainless steel and other alloy pipe and tube. Palmer manufactures liquid storage solutions and separation equipment, and Specialty is a master distributor of seamless carbon pipe and tube. The Metals Segment's markets include the oil and gas, chemical, petrochemical, pulp and paper, mining, power generation (including nuclear), water and waste water treatment, liquid natural gas, brewery, food processing, petroleum, pharmaceutical and other industries.

In 2019, the Metals Segment reported net sales of \$251.1 million, up \$28.8 million from 2018 and Adjusted EBITDA was \$15.3 million, down from \$35.4 million in 2018. Synalloy Metals revenue was positively impacted by the acquisition of ASTI on January 1, 2019. However, the Adjusted EBITDA was negatively impacted by market-wide price compression, tighter customer inventory controls, decline in metal surcharges which increased inventory losses and the lost profits associated with equipment failure of a key production line.

Synalloy Chemicals

The Chemicals Segment operates as one reporting unit which includes Manufacturers Chemicals, LLC and CRI Tolling, LLC. The Chemicals Segment produces specialty chemicals for the chemical, paper, metals, mining, agricultural, fiber, paint, textile, automotive, petroleum, cosmetics, mattress, furniture, janitorial and other industries.

Synalloy Chemicals profits decreased slightly in 2019 as compared to 2018. Actual 2019 financial performance was less than our original 2019 forecast and the 2019 Incentive Plan paid out below target for the segment. Synalloy Chemicals' saw an increase in pounds shipped of 7% over the original forecast. However, the new business came primarily from non-reactor products and products where the customers provided their own raw materials. As a result, sales fell short of forecast by 8% and adjusted EBITDA was off 22%. In 2019, the Chemicals Segment recorded Adjusted EBITDA was \$4.5 million, approximately 22% less than our original forecast.

Summary of 2019 Key Compensation Decisions

2019 Incentive Plan

At our 2019 Annual Meeting of Shareholders, 89.3% of the shares voted at the meeting were in favor of our 2018 NEO compensation program. As a result of this strong level of support, we committed to using the same Incentive Plan in 2019 (the "2019 Incentive Plan") that was utilized in 2018 noting the following:

- *Base Salary* - There were no changes to any NEO's base salary in 2019.
- *Short-Term Cash Incentive* - There were no changes to the short-term cash incentive under the 2019 Incentive Plan.
- *Long-Term Equity Incentive* - There were no changes to the long-term equity incentive under the 2019 Incentive Plan.

Compensation Philosophy, Objectives and Process

Compensation Philosophy and Objectives

The Board and management believe that the performance and contributions of our executive officers are critical to our overall success. To attract, retain and motivate the executives to accomplish our business strategy, the Committee establishes executive compensation policies and oversees the Company's executive compensation practices.

The Company's goal is to attract and retain highly motivated and talented executives and to ensure a strong link between executive pay, Company performance and shareholder value.

Compensation Objective	How Objective is Achieved
Pay for performance	The majority of the annual short-term cash and long-term equity components of the compensation program have Performance Metric target ranges for each business segment and the Company as a whole. Executives are rewarded with higher incentive pay when above target ranges are met, while lower incentives are paid when target ranges are not achieved.
Attracting and retaining highly motivated and talented executives	The overall compensation program is designed to be competitive with positions at peer group companies to attract highly qualified candidates. Restricted stock awards have multi-year time vesting elements with forfeiture of unvested grants if an executive leaves the Company prior to vesting for any reason other than retirement, disability or death.
Aligning the interests of executives with the interests of shareholders	A portion of each executive's pay is equity-based compensation, to align the executives' interests with those of our shareholders.

The Company and the Committee believe that the most effective executive compensation program is one that is designed to reward the achievement of specific annual and long-term goals and functional operational initiatives of the Company as well as align the interest of executives with the interest of shareholders, ultimately improving shareholder value. Our pay for performance emphasis attracts executives who are willing to risk a larger share of their compensation on their own performance and the performance of the Company for the benefit of the longer-term shareholder value.

Compensation Process

The Committee looks for opportunities to improve upon the executive compensation program and in 2016 the Company retained PM as the Committee's outside independent compensation consulting firm. PM is a nationally recognized executive compensation consultant and the Committee has retained it to provide information concerning compensation paid by competitors and members of our peer group. In 2016, PM assisted the Committee in designing the Incentive Plan that was used for NEOs in 2017, 2018 and 2019.

In reviewing the base salary of our NEOs in 2019, the Committee worked with PM to review aggregated information from our peer group and, for the executives below chief executive officer level, received input and guidance from the CEO on the performance of these officers. The Committee additionally reviews the performance of the CEO and considers this information in making compensation decisions.

In 2019, the Committee identified 17 companies for its peer group, all manufacturing businesses, with many in either the Basic Materials-Metals/Mining or Materials-Specialty Chemicals industry classification. Others are manufacturers of machinery or component parts. The peer group is focused on micro-cap companies with similar revenues and market capitalization to the Company's performance. Additionally, the Committee compares the Company's one-year and three-year average annual EBITDA to that of the peer group.

For 2019, our peer group consists of the following companies: American Vanguard, Ampco-Pittsburgh, CSW Industrials, Core Molding Technologies, Eastern Company, Houston Wire and Cable, Hawkins, Haynes International, Hurco, Insteel, Landec Corp., Lawson Products Inc., L.B. Foster Company, Northwest Pipe Co., Perma Pipe, UFP Technologies, and USAP.

The peer group information is used by the Company to benchmark the compensation for our CEO and CFO. The Committee sets base salary for our CEO near the median base salary for the peer group. The Committee sets the base salaries of the other NEOs to be market competitive as compared to the salaries of executives at similarly situated companies. However, the Committee believes that targeted total cash compensation, including short-term incentive pay, should provide the CEO and all other NEOs with the potential to earn in excess of the median total cash compensation of the peer group.

The Committee believes this methodology is appropriate because it directly aligns the CEO and other NEOs' pay with the Company's performance by putting more emphasis on at-risk components of cash compensation.

Risk Considerations

The Committee has assessed the risks arising from the Company's compensation policies and practices for all employees to determine whether such policies or practices are reasonably likely to have a material adverse effect on the Company. Based on its assessment, the Committee has determined that the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company.

2019 Performance and Compensation

Our compensation program is relatively simple and straightforward, and consists of three main components: base salary, short-term cash incentives and long-term stock-based incentives. Below is information on the main components of and on certain decisions made regarding 2019 NEO compensation.

Base Salary

Base salary is a tool to provide executives with a reasonable level of fixed income relative to the responsibility of the positions they hold. Base salaries are reviewed annually by the Committee and the CEO and adjustments are considered at that time. Base salaries are adjusted from time to time to reflect changes in responsibility level, comparison of data obtained from peer groups, data from our compensation consultant and other external market comparative data. In addition, the Company considers the attributes of each individual executive, including but not limited to his/her longevity with the Company, his/her educational background and experience, the particular responsibilities of his/her position, the compensation of others with similar background, credentials and responsibilities, and his/her past level of performance.

For 2019, the Committee reviewed peer group data and, along with the CEO's recommendation for the other NEOs, determined that it was in the best interests of the Company and our shareholders to defer any increase of each NEO's base salary until a later date to be determined by the Committee.

Base salary for each NEO as of December 31, 2019 and December 31, 2018 are listed in the table below:

NEO	Title	Base Salary at 12/31/2019	Base Salary at 12/31/2018	% Increase
Craig C. Bram	President & CEO	\$ 495,000	\$ 495,000	—%
Dennis M. Loughran	SVP & CFO	\$ 322,500	\$ 322,500	—%
J. Greg Gibson	President, Synalloy Chemicals	\$ 272,000	\$ 272,000	—%

2019 Incentive Plan

With assistance from our compensation consultant, the Committee established the 2016 Incentive Plan and essentially carried the same plan forward each year including the 2019 Incentive Plan. As with the prior incentive plans, the 2019 Incentive Plan consisted of two components: short-term cash incentive compensation and long-term equity incentive compensation in the form of restricted stock awards to be issued under the 2015 Stock Award Plan (the "2015 Stock Plan"), which was approved by shareholders at the 2015 Annual Meeting.

Also, the Committee approved the calculation of the same performance metric that has been utilized since the 2016 Incentive Plan and is used to calculate certain components of both the short-term cash and long-term equity incentives. Consistent with prior years incentive plans, the 2019 Incentive Plan defined the “Performance Metric” as Adjusted EBITDA before incentives and excluding inventory gains and losses, metal price change gains and losses, inventory cost adjustments, aged inventory adjustments, and manufacturing variances.

Short-Term Cash Incentive

The short-term cash incentive in the 2019 Incentive Plan was calculated as a percentage of an executive’s base salary, depending on the executive’s position with the Company and what specified strategic goals were achieved. The two factors included in the short-term cash incentive were:

- 70% of short-term cash incentive: Target Performance Metric with an established Threshold Performance Metric and Maximum Performance Metric for the payment of cash incentives. The Threshold Performance Metric is set at 75% of Target. The Maximum Performance Metric is set at 125% of Target.
- 30% of short-term cash incentive: Successful delivery of specified strategic goals that drive stronger efficiencies across the Company, for Messrs. Bram and Loughran and across the segment for Mr. Gibson.

While the Performance Metric carried the heaviest weighting (70%) for the short-term cash component, the Committee used qualitative measures related to strategic goals to increase executive focus beyond the annual Performance Metric to include those measures management and the Board believe will lead to sustained results on a longer-term basis. The table below provides the total short-term cash incentive for each NEO at the threshold, target and maximum levels.

Total Short-Term Cash Incentive <i>(as a percentage of base salary)</i>			
	Threshold	Target	Maximum
President & CEO	50.0%	85.0%	120.0%
SVP & CFO	45.0%	65.0%	85.0%
President, Synalloy Chemicals	40.0%	57.0%	75.0%

For the short-term cash incentive compensation component of the 2019 Incentive Plan, the following table sets forth the Performance Metric component for each executive. Actual payout is based on a calculation using results for the year and may vary between Threshold and Maximum values. The table below details the 2019 Performance Metric threshold, target, maximum and actual results.

(dollars in millions)	2019 Performance Metric Component			
	Threshold	Target	Maximum	2019 Actual
President & CEO	\$ 25.50	\$ 34.00	\$ 42.50	\$ 21.41
SVP & CFO	\$ 25.50	\$ 34.00	\$ 42.50	\$ 21.41
President, Synalloy Chemicals ⁽¹⁾	\$ 4.35	\$ 5.80	\$ 7.25	\$ 5.05

(1) 2019 Performance Metric component is for the Chemicals Segment.

For 2019, the Performance Metric achieved was below the Threshold level for the Company. The Performance Metric achievement for the Chemicals Segment in 2019 was between Threshold and Target performance level.

For the short-term cash incentive compensation component of the 2019 Incentive Plan, the following table sets forth the strategic goal component for each executive. Actual payout is based on a calculation using results for the year and may vary between Threshold and Maximum values. The table below details the 2019 strategic goals threshold, target, maximum and actual results.

SVP & CFO ⁽²⁾	4 out of 7	5 out of 7	7 out of 7	6.9 out of 7
President, Synalloy Chemicals ⁽³⁾	3 out of 5	4 out of 5	5 out of 5	4.0 out of 5

(1) The 2019 strategic goals for the President & CEO related to financial, growth, and personnel initiatives.

(2) The 2019 strategic goals for the SVP & CFO related to financial, process and personnel initiatives.

(3) The 2019 strategic goals for the President, Synalloy Chemicals related to facility safety, sales and marketing, growth and facility specific initiatives.

For 2019, all NEOs met or exceeded the "Target" level of performance for the strategic goals component. The strategic goals component of the short-term cash incentive are operational and strategic goals specific to each named executive officer's area of responsibility, in each case designed to drive overall Company financial and operational performance.

Total short-term cash incentives were earned for fiscal year 2019 as follows:

Name	Position	2019 Performance Metric Component		2019 Strategic Goals Component		Total 2019 Short-Term Cash Incentive Payments	
		\$	% of Base Salary	\$	% of Base Salary	\$	% of Base Salary

2019 Long-Term Equity Incentive

Our goal in awarding long-term equity incentive compensation is to emphasize to our executives the importance of increasing shareholder value by tying a portion of executive compensation to growth in the Company's stock price. To help align the interests of our executives with the interest of our shareholders, one hundred percent (100%) of long-term incentive compensation for NEOs is in the form of equity instruments. In recent years, the Company has granted restricted stock awards that vest over either three or five years, with half of such awards subject to achievement of a performance goal.

The long-term stock-based incentives are delivered in the form of restricted stock awards. Stock-based compensation is established at a percentage of each executive's base salary at the time of grant. In order to attract and retain executive talent, 50% of the long-term incentive is a time-vesting retention award. In order to closely tie total compensation to long-term shareholder value, the other 50% of the long-term incentive compensation for the NEOs is earned based on achievement of a three-year cumulative Performance Metric.

For the long-term equity incentive component of the 2019 Incentive Plan, Mr. Bram was awarded restricted stock with a value at the time of grant equal to 42.5% of his base salary in the form of a time-vesting award, Mr. Loughran was awarded restricted stock with a value at the time of grant equal to 32.5% of his base salary in the form of time-vesting awards, and Mr. Gibson was awarded restricted stock with a value at the time of grant equal to 28.5% of his base salary in the form of a time-vesting award. These time-vesting stock awards vest 33% per year over a three-year period.

The NEOs are also eligible for performance-vesting restricted stock awards which, at maximum pay-out levels, would equal 63.75% of base salary for Mr. Bram, 48.75% of base salary for Mr. Loughran and 42.75% of base salary for Mr. Gibson. This performance-vesting restricted stock award is based on achievement of a three-year cumulative Adjusted EBITDA Performance Metric and will be earned, if at all, for performance during the three-year period ending December 31, 2021.

Total long-term equity incentives awarded for fiscal year 2019 were as follows:

Name	Position	2019		
		Time-Vesting Stock Award ⁽¹⁾	Performance-Vesting Stock Award ⁽²⁾	Total 2019 Long-Term Equity Awards
Craig C. Bram	President & CEO	\$ 210,375	\$ 210,375	\$ 420,750
Dennis M. Loughran	SVP & CFO	\$ 104,813	\$ 104,813	\$ 209,625
J. Greg Gibson	President, Synalloy Chemicals	\$ 77,520	\$ 77,520	\$ 155,040

(1) Time-vesting restricted stock award vests at 33% per year over a three-year period.

(2) Performance-vesting restricted stock award is based on achievement of a three-year cumulative Performance Metric target and will be earned, if at all, for performance during the three-year period ending December 31, 2021.

Vesting of the 2017 Performance Long-Term Equity Incentive Award

The 2017 performance-vesting award was awarded for the three-year period ending December 31, 2019. The following table shows the threshold, target and maximum three-year cumulative Performance Metric when the award was made in 2017 as well as the actual performance for the three-year period ending December 31, 2019.

(in millions)	2017 Performance-Vesting Stock Award (cumulative three-year Performance Metric ending December 31, 2020)			
	Threshold	Target	Maximum	Actual
President & CEO	\$ 39.11	\$ 57.55	\$ 75.95	\$ 71.88
SVP & CFO	\$ 39.11	\$ 57.55	\$ 75.95	\$ 71.88
President, Synalloy Chemicals ⁽¹⁾	\$ 17.39	\$ 25.59	\$ 33.76	\$ 17.46

(1) Three-year cumulative Performance Metric is for the Chemicals Segment.

For the 2017 performance-vesting stock award, the three-year cumulative Performance Metric achieved was above the "Target" level for the Company. The three-year cumulative Performance Metric achieved for the Chemicals Segment in 2019 was at "Threshold" level. As such, the following table shows the amounts earned by the NEOs for the 2017 performance-vesting stock award.

Name	Position	2017 Performance-Vesting Award Earned ⁽¹⁾
Craig C. Bram	President & CEO	\$ 185,096
Dennis M. Loughran	SVP & CFO	\$ 92,200
J. Greg Gibson	President, Synalloy Chemicals	\$ 27,900

(1) The amounts in this column represents the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 of equity awards made pursuant to this award. For the 2017 Performance-Vesting Award, the NEOs received the following number of restricted shares: Mr. Bram 15,048; Mr. Loughran 7,495; and Mr. Gibson 2,268.

Stock-Ownership Levels

The Board has established stock ownership levels for the senior management team and the Board. Directors and executive officers have five years to achieve the targeted ownership levels. Stock ownership levels for NEOs and directors are based on dollars invested or cost basis, not market value. All NEOs are in compliance.

Stock ownership requirements are as follows:

- Board - three times retainer;
- CEO - four times base salary;
- CFO and Segment Presidents - \$250,000; and
- Corporate Secretary - \$200,000.

Employment Agreements

Following approval by the Committee, the Company has entered into employment agreements with its NEOs. The Employment Agreement section herein reflects Employment Agreements as of December 31, 2019.

An employment agreement with Mr. Bram was entered into on March 1, 2019 for a two-year term. On each two-year anniversary of the employment agreement, the term is automatically extended for two additional years, unless the Company or Mr. Bram provides written notice that it or he does not wish to extend the agreement within 90 days of the end of the term.

Employment agreements with Mr. Loughran and Mr. Gibson were entered into on March 1, 2019, each for a one-year term. On each one-year anniversary of the employment agreement, the term is automatically extended for an additional year, unless the Company or the executive provides written notice that it or he does not wish to extend the agreement within 90 days of the end of the term.

The employment agreements for each of Messrs. Bram, Loughran and Gibson provide for a base salary, cash incentive and restricted stock incentive to be reviewed by the Committee on an annual basis. The employment agreements also provide that each executive is eligible to participate in any employee benefit plan and programs generally made available to employees.

The employment agreements provide that the executive will be entitled to severance payments in the case of death or disability, or a termination without cause (outside of, or in connection with or following a change in control) in the form of (1) salary continuation, (2) average cash bonus, (3) health insurance and (4) restricted stock and options vesting. The base salary may be paid in installments or in a lump sum, at the election of the Company. In order to receive the severance, the executive, or his beneficiary or estate, must execute a release satisfactory to the Company. Please see the table below for more information on the above described severance payments.

With respect to a change in control, the employment agreements provide for a severance payment only if, in connection with, or within two years after, a change in control, either (a) the Company terminates the executive's employment (other than for cause, as defined in the agreement, and other than due to death or disability), or (b) the executive is not retained in substantially the same or better role and substantially the same or better compensation level as prior to the change in control. This approach is commonly referred to as "double-trigger" acceleration upon a change in control.

Each employment agreement defines a change in control to occur when “(i) any person (as defined in Section 13(d) and 14(d) of the Exchange Act) is or becomes the beneficial owner (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the combined voting power of the Company’s then outstanding securities, or (ii) there is a consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company (a “Business Combination”), in each case, unless, following such Business Combination, all or substantially all of the individuals and entities who were the beneficial owners of outstanding voting securities of the Company immediately prior to such Business Combination beneficially own, directly or indirectly, more than fifty percent (50%) of the combined voting power of the then outstanding voting securities entitled to vote generally in the election of directors, as the case may be, of the entity resulting from such Business Combination (including, without limitation, an entity which, as a result of such transaction, owns the Company or all or substantially all of the Company’s assets either directly or through one or more subsidiaries). The election of any or all of the Dissident Group’s nominees would not trigger a change in control within the meaning of such term as it is used under these employment agreements.

The employment agreement contains a covenant not to engage, directly or indirectly, in competition with the Company with respect to the businesses in which it is engaged on the date the executive’s employment is terminated and for a period of one year after termination of the executive’s employment. In addition, each agreement stipulates that the executive may not be employed for a period of one year after his termination of employment with any business that was identified as a potential acquisition target during the executive’s tenure with the Company. Each NEO has also agreed not to disclose, at any time during his employment with the Company or thereafter, any of the Company’s confidential information.

The following table shows the potential payments to Messrs. Bram, Loughran and Gibson upon termination for the reasons described below, or to their beneficiaries in the event of death. The amounts shown assume that the employment of each executive was terminated effective December 31, 2019.

(4) Upon a triggering event under the “double-trigger” change in control, Mr. Bram will receive 2.5X of current base salary, 2.5X of the average of the two most recent cash and stock bonuses, 24 months of COBRA premiums and immediate vesting of all restricted stock and options as severance. Upon a triggering event under the “double-trigger” change in control, all other NEOs will receive 2.0X of current base salary, 2.0X of the average of the two most recent cash and stock bonuses, 24 months of COBRA premiums and immediate vesting of all restricted stock and options as severance.

(1) Stock Awards - The amounts in this column represents the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 of stock awards made during the year. See Note 7 to the Company's consolidated financial statements for the year ended December 31, 2019, which are included in the Company's 2019 Annual Report on Form 10-K, for additional disclosure of all assumptions made with respect to the valuation of stock awards.

(2) Non-Equity Incentive Compensation - The amounts reported in Non-Equity Incentive Plan Compensation were paid under the Incentive Plan for the respective year, as more fully described in the CD&A. Amounts reported in this column were earned in the indicated year.

(3) All Other Compensation - The amounts shown in this column represent the Company's contributions pursuant to the 401(k)/ESOP Plan for the named executives. In addition, Mr. Gibson received a monthly car allowance.

CEO Pay Ratio - For 2019, the annual total compensation for our median employee was \$60,256; Mr. Bram's 2019 annual total compensation was \$1,103,650 and the ratio of these two amounts was 1:18.

SEC rules permit companies to identify the median paid employee once every three years as long as there has been no change in the company's employee population or compensation arrangements that significantly impacts the pay ratio disclosure. As we have had no such material changes since 2017, we are using the same median employee identified for 2017, as described below.

The median employee was identified for 2017 utilizing total cash compensation consisting of earnings, bonuses and allowances and annualized for all employees as of December 31, 2017. This pay ratio is a reasonable estimate calculated in a manner consistent with the SEC rules based on our payroll and employment records and the methodology described above. Because the SEC rules for identifying the median compensated employee and calculating the pay ratio on that employee's annual total compensation allow companies to adopt a variety of methodologies, to apply certain exclusions, and to make reasonable estimates and assumptions that reflect their compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio reported above, as other companies may have different employment and compensation practices and may utilize different methodologies, exclusions, estimates and assumptions in calculating their own pay ratios.

(1) These awards were made pursuant to our 2019 Incentive Plan and were earned upon the achievement of certain performance goals established by the Committee for the fiscal year ended December 31, 2019. For a discussion of these performance goals, see our CD&A section included in this Proxy Statement. The Committee targeted a payout equal to 85% of base salary for Mr. Bram, 65% of base salary for Mr. Loughran, and 57% of base salary for Mr. Gibson, which would be achieved if 100% of the Performance Metric goal and 80% of the strategic goals were met.

Consequently, the target amounts in this column assume that Mr. Bram earned 85%, Mr. Loughran earned 65%, and Mr. Gibson earned 57% of the maximum potential awards that they could have earned using these annual incentive opportunities.

The threshold amounts assume that the NEOs earned the minimum cash incentive awards required to trigger any level of payout. If Company performance fell below performance goals required to earn the threshold amount, they would not have been entitled to any non-equity incentive plan awards.

Mr. Bram earned 35.7%, Mr. Loughran earned 25.2%, and Mr. Gibson earned 45.6% of these non-equity incentive plan awards based on our performance during 2019. These annual incentive amounts are also included under "Non-Equity Incentive Compensation" in the Summary Compensation Table.

- (2) These amounts represent grants of performance-vesting restricted stock made pursuant to our 2019 Incentive Plan. These restricted shares will be earned over the performance cycle ending December 31, 2022. For a discussion of the other material terms of these awards, see our CD&A section. The Committee targeted payout of restricted shares equivalent to 42.5% of base salary for Mr. Bram, 32.5% of base salary for Mr. Loughran and 28.5% of base salary for Mr. Gibson.
- (3) These amounts represent grants of time based restricted shares made under the 2019 Incentive Plan. For a discussion of the material terms of these awards, see our CD&A section.
- (4) Full grant date fair value of equity awards computed in accordance with FASB ASC Topic 718.

Equity Plans

Stock Option Plan

The Company currently has one stock option plan, the 2011 Long-Term Incentive Stock Option Plan (the "2011 Option Plan"), approved at the 2011 Annual Meeting of Shareholders. Options may be exercised beginning one year after the date granted at the rate of 20% annually on a cumulative basis; however, in no event shall an option be exercisable more than ten years after the date of grant. In the event that (a) all or substantially all of the assets or Common Stock of the Company (or a subsidiary or division of the Company in which employee is employed) are sold to an entity not affiliated with the Company, (b) a merger or share exchange with an unaffiliated party occurs in which the Company is not the surviving entity, or (c) a similar sale or exchange transaction occurs, which in the Committee's sole discretion justifies an exercise right, an option holder may exercise, in addition to the above, 100% of the options not otherwise exercisable because of the holding period requirement, subject to the limitation that in no event shall incentive stock options under this and all other option plans of the Company having an aggregate fair market value in excess of \$100,000 at the dates of grant become exercisable by an optionee for the first time during a calendar year. The exercise price for options granted under the 2011 Option Plan is equal to 100% of the fair market value on the date the option is granted. The option grant price is determined by averaging the high and low sales prices for the Company's Common Stock for the day prior to the option grant date as reported by the Nasdaq Global Market. If one of the events described in (a), (b) or (c) above had occurred as of December 31, 2019, all of the stock options shown in the "Number of Securities Underlying Unexercised Options/Unexercisable" column of the Outstanding Equity Awards at Fiscal Year End 2019 table would have vested immediately.

On February 10, 2015, the Board amended the 2011 Option Plan to allow former employees who cease to be employees of the Company as a result of normal retirement, early retirement or disability retirement, to exercise any outstanding options at any time after the date on which he or she ceased to be an employee, but not later than the end of the fixed term of the option and no earlier than one year from the date the option was granted. In the case of death, the option may be exercised by the holder's estate, a person who acquired the right to exercise the option by bequest or inheritance, or his or her attorney-in-fact, as appropriate, at any time after the holder's death, but not later than the end of the fixed term of the option. Otherwise, options can only be exercised by an employee who has been in the continuous employment of the Company since the date the option was granted. Options granted under the 2011 Option Plan to an employee shall not be transferable except by will or the laws of descent and distribution.

At April 10, 2020, there were a total of 170,436 shares underlying outstanding options and 46,936 shares underlying exercisable options under the 2011 Option Plan. There were 28,528 shares available for grant under the 2011 Option Plan as of April 10, 2020.

Stock Award Plans

The 2015 Stock Plan, approved by shareholders at the 2015 Annual Meeting of Shareholders and amended by the Board and the shareholders at the 2018 Annual Meeting of Shareholders, authorizes the issuance of up to 500,000 shares which can be awarded for a period of ten years from the effective date of the plan. On February 16, 2017, the Board amended the 2015 Stock Plan to enable the Compensation & Long-Term Incentive Committee to establish vesting schedules as it administers the plan, generally over three or five years. In order for the awards to vest, the employee must be in the continuous employment of the Company or a subsidiary since the date of the awards, except as the result of an employee's retirement (minimum age of 62), death or permanent disability, upon which event any portion of a stock award that has not vested with the Company will become 100% vested. Otherwise, any portion of a stock award that has not vested prior to the termination of an employee's employment with the Company for any other reason shall be automatically cancelled. Vesting of the total number of unvested shares will occur in the event that there is either (i) the acquisition of more than 50% of the outstanding voting securities of the Company or a subsidiary or division of the Company in which the employee is employed (calculated on a fully diluted basis) by any person during any consecutive 12-month period of time; or (ii) the sale of more than 50% in value of the assets of the Company over any consecutive 12-month period of time. At April 10, 2020, awards for 339,313 shares have been granted under the 2015 Stock Plan.

The 2005 Stock Awards Plan ("2005 Stock Plan), approved by shareholders at the 2005 Annual Meeting of Shareholders, and amended by the Board effective at its February 2008 and November 2014 meetings, authorized the issuance of up to 300,000 shares which could be awarded for a period of ten years from the effective date of the plan. The 2005 Stock Plan expired on February 3, 2015 at which time no further grants could be awarded. There are outstanding awards under the 2005 Stock Plan that will vest over the next year. Stock awards vest in 20% increments annually, beginning one year after the date of grant. In order for the awards to vest, the employee must be in the continuous employment of the Company or a subsidiary since the date of the awards, except as the result of an employee's retirement (minimum age of 62), death or permanent disability, in which case any portion of a stock award that has not vested with the Company will become 100% vested. Otherwise, any portion of a stock award that has not vested prior to the termination of an employee's employment with the Company for any other reason shall be automatically cancelled. Vesting of up to 100% of the total number of unvested shares will occur in the event that there is either (i) the acquisition of more than 50% of the outstanding voting securities of the Company or a subsidiary or division of the Company in which the employee is employed (calculated on a fully diluted basis) by any person during any consecutive 12-month period of time; or (ii) the sale of more than 50% in value of the assets of the Company over any consecutive 12-month period of time. The Company may also terminate any portion of an award that has not vested upon an employee's failure to comply with all conditions of the award or the plan. If one of the events described in (i) or (ii) above had occurred as of December 31, 2019, 100% of the restricted shares shown in the "Number of Shares or Units of Stock That Have Not Vested" column of the Outstanding Equity Awards at Fiscal Year End 2019 table would have vested immediately.

Shares relating to awards that have not yet vested are reserved for issuance by the Company and an employee is not entitled to any voting or dividend rights with respect to any such shares. Share awards that have not vested are not transferable.

Retirement Plans

401(k)/ESOP Plan

The Company sponsors a 401(k) Plan/Employee Stock Ownership Plan. All employees (except those employees who are entitled to participate in union-sponsored plans) who are 21 years or older are automatically enrolled at a pre-determined percentage following 60 days of full-time employment with the Company or any subsidiary. Employees may choose to opt out or elect to change the default deferral rate. Employees are eligible to receive a matching contribution in the month following their one-year anniversary.

Employees are permitted to contribute up to 100% of earnings not to exceed a dollar amount set by the Internal Revenue Service through payroll deduction on a pre-tax basis or after-tax basis through a Roth 401(k). Employees are permitted to change the election daily and can revoke the election at any time. Employee contributions are 100% vested at all times. An employee can invest his contribution in any of the investment funds offered; however, employee contributions cannot be invested in the Company's Common Stock.

Prior to January 1, 2016, all Company contributions were invested in Company stock. Effective January 1, 2016, Company contributions are invested in accordance with employee elections for individual contributions, and the ESOP portion of the 401(k)/ESOP Plan is frozen. For each plan year, the Company contributes on behalf of each eligible participant a discretionary matching contribution equal to a percentage determined annually by the Board.

For 2019 and 2018, the maximum matching contribution was 4%. The matching contribution is allocated within 15 days of each pay period. In addition to the matching contribution, the Company may make a discretionary contribution which shall be distributed to all eligible participants regardless of whether they contribute to the 401(k)/ESOP Plan. No discretionary contributions have been made to the 401(k)/ESOP Plan.

Distributions are not permitted before age 59 1/2 except in the event of death, disability, termination of employment or reason of proved financial hardship as defined according to Internal Revenue Service guidelines. The 401(k)/ESOP Plan provides for payment of the participant's account balance upon death, disability or retirement in the form of cash or shares of the Company's Common Stock or both. If employment terminates for reasons other than retirement, disability or death (e.g. resignation or termination by the Company), any discretionary portion of a participant's account balance will vest as follows: less than three years' service - 0% vested; three or more years - 100% vested.

Unvested amounts are forfeited and allocated to participants eligible to participate for a plan year. The 401(k)/ESOP Plan permits rollovers from qualified plans at the discretion of the Company. The 401(k)/ESOP Plan is permitted to borrow money to purchase shares of the Company's Common Stock. All shares of the Company's Common Stock acquired by the 401(k)/ESOP Plan with the proceeds of a loan are maintained in a suspense account and are withdrawn and shares are allocated to participant's accounts as the loan is paid. As a participant in the 401(k)/ESOP Plan, any employee may direct the trustee to vote shares allocated to his or her account in accordance with the employee's wishes.

All 401(k)/ESOP Plan assets are held by an independent trustee. The trustee invests all assets and makes payment of 401(k)/ESOP Plan benefits. The 401(k)/ESOP Plan is managed and administered by an independent administrator and a Pension Committee comprised of the corporate officers of the Company. Expenses incurred for the administration of the 401(k)/ESOP Plan are paid by the Company. The 401(k)/ESOP Plan reserves to the Board of the Company the right to amend the 401(k)/ESOP Plan in any manner or terminate the 401(k)/ESOP Plan at any time. The 401(k)/ESOP Plan may be amended to preserve the qualification of the 401(k)/ESOP Plan under the applicable provisions of the Internal Revenue Code of 1986, as amended from time to time. For 2019, the Company's total matching contribution was \$833,698.

COMPENSATION COMMITTEE REPORT

The Compensation & Long-Term Incentive Committee has reviewed and discussed with management the Compensation Discussion and Analysis included in this Proxy Statement. Further, the Compensation & Long-Term Incentive Committee considered and took into account the 2019 shareholder vote on executive compensation. PROPOSAL 2 - ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

The Board is committed to a compensation philosophy and program that promotes our ability to attract, retain and motivate individuals who can achieve superior financial results. As part of that commitment, and in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and Section 14A of the Exchange Act, shareholders are being asked to approve, in an advisory non-binding resolution, the compensation of our NEOs as disclosed in this Proxy Statement. This proposal is our “say-on-pay” proposal. While the advisory vote is required by the Exchange Act, the frequency of the vote (every year, every two years, or every three years) is at the discretion of the Board. Rule 14a-21(b) under the Exchange Act requires the Board to ask shareholders at least every six years, to recommend the frequency of the “say-on-pay” vote. At the 2018 Annual Meeting of Shareholders, shareholders recommended that future “say-on-pay” votes take place every year, and the Board has determined to submit the “say-on-pay” vote to shareholders on an annual basis. The next vote for the frequency of the “say-on-pay” votes will be at the 2024 Annual Meeting of Shareholders.

This proposal gives you the opportunity to let us know how you view the overall compensation of our NEOs and the policies and practices described in this Proxy Statement. It is not intended to address any specific item of compensation. In considering how to vote on this proposal, we encourage you to review all the relevant information in this Proxy Statement - our CD&A (including its executive summary), the compensation tables, and the rest of the narrative disclosures regarding our executive compensation program. Your vote will not directly affect or otherwise limit any existing compensation or award arrangement of any of the NEOs.

Because your vote is advisory, it is non-binding on our Board; however, our Board will take into account the outcome of the vote on the say-on-pay proposal when considering future compensation arrangements. We invite shareholders who wish to communicate with our Board on executive compensation or any other matters to contact us as provided under “Corporate Governance - Shareholder Communications with Directors.”

Accordingly, in compliance with the Dodd-Frank Act, we ask you to approve the following resolution:

“RESOLVED, that the shareholders of Synalloy Corporation hereby approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed pursuant to the compensation disclosure rules of the SEC and Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion in the Company’s 2020 Proxy Statement.”

Vote Required

A majority of the voting power represented at the Annual Meeting must vote **FOR** Proposal 2 to approve the advisory vote on the compensation of our named executive officers. The enclosed **BLUE** Proxy Card provides a means for you to vote **FOR**, **AGAINST** or to **ABSTAIN** on this proposal. Each properly executed proxy received in time for the Annual Meeting will be voted as specified therein. Abstentions will have the same effect as a vote against this proposal. Broker non-votes will have no effect on the outcome of the vote on this proposal.

Board Recommendation

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

During Fiscal 2019, all audit and permitted non-audit services were pre-approved by the Audit Committee.

PROPOSAL 3 - RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Although applicable Delaware law and SEC rules do not require shareholder ratification to proceed with the appointment, our Audit Committee and our Board are requesting that our shareholders ratify the appointment of KPMG as our independent registered public accounting firm for fiscal year 2020. Our Audit Committee is not required to take any action as a result of the outcome of the vote on this proposal. However, if our shareholders do not ratify the appointment, our Audit Committee may investigate the reasons for shareholder rejection and may consider whether to retain KPMG or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our shareholders or the Company. Representatives of KPMG are expected to be present at the Annual Meeting with an opportunity to make a statement, if they so desire, and to respond to appropriate questions with respect to that firm's audit of the Company's consolidated financial statements for the fiscal year ended December 31, 2019.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (such as brokers and banks) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

A number of banks, trustees and other holders of record who are our shareholders may be "householding" our proxy materials and annual reports for their customers. This means that only one copy of our proxy materials may have been sent to multiple shareholders sharing an address unless contrary instructions have been received from one or more of the affected shareholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you prefer to receive separate copies of a proxy materials or annual report, either now or in the future, please call us at 804-822-3260, or send your request in writing to the following address: Corporate Secretary of Synalloy Corporation, 4510 Cox Road, Suite 201, Richmond, VA 23060. If you are still receiving multiple reports and proxy statements for shareholders who share an address and would prefer to receive a single copy of the annual report and proxy statement in the future, please contact us at the above address or telephone number. If you are a beneficial owner, you should contact your bank, broker or other holder of record.

SHAREHOLDER PROPOSALS FOR THE 2021 ANNUAL MEETING OF SHAREHOLDERS

Any shareholder proposal to be included in the proxy materials for the 2021 Annual Meeting of Shareholders must be submitted in accordance with applicable regulations of the SEC, and received by the Company at its principal executive offices, 4510 Cox Road, Suite 201, Richmond, VA 23060, no later than December 15, 2020 (120 calendar days prior to the first anniversary of this Proxy Statement); provided, that, if the 2021 Annual Meeting of Shareholders is changed by more than 30 days from the date of the Annual Meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials.

In order for a shareholder to bring any business or nominations before the 2021 Annual Meeting of Shareholders that is not submitted for inclusion in the Company's proxy statement for the 2021 Annual Meeting of Shareholders by the deadline identified above, certain conditions set forth in the Company's Bylaws must be complied with, including but not limited to, the delivery of a written notice to the Corporate Secretary of the Company between March 14, 2021 and April 13, 2021 (not less than 30 nor more than 60 days in advance of the 2021 Annual Meeting which is tentatively scheduled on May 13, 2021); provided, however, that in the event that less than 40 days' notice or prior public disclosure of the date of the 2021 Annual Meeting of Shareholders is given or made available to shareholders, notice by the shareholder must be received by the Company not later than the close of business on the 10th day following the day on which such notice of the date of the 2021 Annual Meeting of Shareholders was mailed or a public disclosure including such date was made.

Each shareholder who desires to present a proposal to be voted on at the 2021 Annual Meeting of Shareholders may do so only in accordance with Section 9 of Article II of the Bylaws, which provides that such shareholder's notice referenced above shall be timely and must include, for each matter the shareholder proposes to bring before the annual meeting, (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (ii) the name and record address of the shareholder proposing such business, (iii) the class and shareholder, and (iv) any material interest of the shareholder in such business.

Each shareholder who desires to nominate a candidate for election to be voted at the 2021 Annual Meeting of Shareholders may do so only in accordance with Section 10 of Article II of the Bylaws, which provides that such shareholder's notice referenced above shall be timely and shall set forth (a) as to each person whom the shareholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of the Company which are beneficially owned by the person and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Rule 14a under the Securities Exchange Act of 1934; and (b) as to the shareholder giving the notice, (i) the name and record address of shareholder and (ii) the class and number of shares of the Company which are beneficially owned by the shareholder. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company. No person shall be eligible for election as a director of the Company unless nominated in accordance with the procedures set forth therein.

In accordance with Rule 14a-4(c) under the Securities Act, the designated proxy agents will vote on the proposal in their discretion with respect to any shareholder proposal not received by the Company by February 29, 2020, which is 45 days before the date on which this Proxy Statement was first made available to the Company's shareholders.
